SHIRL'S SHENANIKINS

Carers Accommodation: A big hug to everyone for an enjoyable and productive Club Assembly. As we ran out of time we will continue discussion about Carers Accommodation at our next meeting 9th August which is also a board meeting.

All members and the close companions are invited to the Carers Accommodation **Planning Meeting on Friday 5th August at 10.30 am at the Golf Club.** Similarly members of the Batemans Bay and Narooma RCs are invited + the 9 people from our first meeting. It would be good to have a crowd to pool ideas, concerns, skills and knowledge. Please let me know if you are coming.

PCYC After School Program

Col Jay and John Hayes took two hours to put up the basketball ring and a couple of visits to cement in the table and chairs that had been dislodged by rain. The basketball ring is heaps popular and the table a place of quiet for homework and chatting.

North Head Showers

Just received photos of **HOT** showers at North Head – WOW another victory!

No details but a picture is worth ... lots of words.

Warning: Do **not** type in Google 'hot pictures'

Last Week— Club Assembly

We covered a lot of ground.

Fiji Project. David Brawn, who heads the District Environmental Team, has asked for support in a project to install a solar system in a small Fiji School. Costs are estimated at \$45,000. Subject to Board approval, we will donate \$1,000.

Defibrillators for Banksia. We had applied for a District Foundation Grant of \$4,000. \$3,600 has been granted—we will meet the balance.

Kiosk. Ken Brown has arranged a pretty comprehensive overhaul of the building. We need a working bee to paint the walls.

Kiosk Menu. We are trialling fish and chips—\$10.

Dinner Menu. The Golf Club dining room will be closed from 9th to 16th August. The Club will supply pizzas for our 9th meeting and will open the kitchen for the 16th.

Pre School veggie garden. The chook run that we built in Rohan's year remains in good order but the three vegetable beds need renewing. Alternative materials for replacing the beds are being investigated—working bees to construct them will be needed.

South Head Cemetery. August should see the end of discussions with National Parks, and we should be able to organize working bees to reset the broken gravestones in the form they require.

President's absence. Shirl and John plan to be in Cambodia from 6th January to 17th January with the Rotary Club of East Maitland on a RAWCS project.

Lions Club Future. It is unclear when our Lions Club will end, and the question of how many of their members might like to join Rotary is unresolved.

Revisions to our Constitution. Minutes of our Board's meeting will be circulated to all members. The Bulletin editor will make changes to our Constitution as soon as the final changes are circulated. Members do not require a printed copy

Dr Graham Thomas

John and Sandra arranged this small meeting at Maranatha Lodge on Tuesday where Keith presented Graham with his PHF and Lorne with her-Honorary Rotarian badge.

Graham was quite bright and seemed to recognize us, but his attempts to speak were

mostly unsuccessful. Nevertheless a really worthwhile gathering.

MEAL NUMBERS John Hayes will assume that you **ARE** attending unless you let him know by **Sunday** noon that you are not. The details are .

Kiosk Comments

The race meeting on Tuesday 2 August is not expected to be a big one attendance-wise but it will give us a chance to test the popularity of Fish and Chips as a new menu option.

The Jockey Club has had repairs made to the walls and ceiling holes and it is now up to us to do a clean and repaint of the interior - standby for a call from Tony for a working bee to do this.

I am still looking for an apprentice to take over the catering job from the end of December. Just to remind, Lin and I need to focus on preparing our property for sale next year and this will need a lot of work on our part. We are therefore resigning from the Kiosk for a while. These catering jobs do take time and effort and I know that we can't do both properly (I am 75, not 45!)

Please have a hard think about taking over my job and learning what is involved before I go. You have a good team of helpers in place, coordination is the key requirement.

PS Due to the prevalence of Covid, all working in the Kiosk are strongly advised to wear masks—and please remember to wash your hands on entry.
