

Invocation. *For good food, for good friendship and the privilege to serve we give thanks.*

Four Way Test of the things we think, say or do. *Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?*

SHIRL'S SHENANIGINS

January Meal Numbers: Kindly Keith will do the numbers for 10th and 17th January as John and I will make an overdue visit to my sisters in Adelaide from Dec 29th to Jan 20th .

Tonight's Christmas Party with Poetry. The star of this party is you. Bring along a poem that touches your heart to share. Humour is always appreciated and perhaps a Christmas theme. I am not one to dictate fashion but Keith has suggested adding some Christmas sparkle and colour to your Fashion on the Field style.

Muladha Gamara (wise woman, wise man) is a local professional group that performs for tourists and a wide range of schools. It gave the rhythmic smoking ceremony and traditional lyre bird dance as a fitting **inspiration** for JJ of Yumaro's Walk to End Homelessness. Rotarians Steven Picton, Rhonnie South, Tony and Therese Armstrong and Shirl and John Hayes attended. \$250 was raised and will be distributed by Family Life. Muladha Gamara will perform at our Australia Day celebration.

PCYC Gundry After School Care

Father Christmas added cheer with presents donated by Moruya Rotary. Earlier this year Col Jay and John Hayes secured the wobbly table and installed a basketball hoop which has been in constant use on Tuesday and Thursday afternoons. Uncertainty and dismay however was the mood of the volunteers. Support has been cut. The eagerly anticipated fruit plate and meal has been replaced by a snack pack. Sessions will be cut from two to one. The ladies feel this is not enough to hold the habit of attending. The volunteers have put in much work and love over two years to develop the program that develop skills and keeps the kids off the street.

Rosters for December and January Races.

John and Sandra are heading off to spend Christmas on the *Queen Elizabeth* so John has put together rosters for the three races involved which are published in this *Bulletin*.

Steve Young 0438 739 246 has agreed to handle any changes which occur in the rosters for the three races.

Homelessness

On 27 July 2021, we had a presentation by Anglicare which included their inability to cope with the numbers seeking shelter. Pauline spoke of the smell of poverty. This led to conversations with the Shire and last week Rhonnie was able to give us a summary of how Council had responded.

It was very impressive. Working with Homeless Support Services (SHSS) during the winter months, access to hot showers and free laundry services were needed. Council installed two PayWave Kiosk's at Moruya and Narooma laundromat facilities, and paid for a commercial dryer at the St. Vincent de Paul Society support centre in Batemans Bay. All three town centres now have facilities to wash and dry clothes.

Council leased and installed two portable shower and hot water units at the North Head Camp to service the 50 homeless people reported to be living on site. This arrangement will end this December.

Makadde writes

*Good afternoon Philip,
As you may remember, I, Makadde Ethell, was one of the two students yourself and the Moruya Rotary funded for the National Youth Science Forum earlier this year.*

Last time we spoke I gave a direct speech for the Rotary about my experience during the forum, which I thoroughly enjoyed. I feel the need to thank yourself and the Rotary for the support earlier this year as it has been immensely helpful. I have now just recently finished my schooling and have big plans for university next year. I have been accepted into a Bachelor of Health Science at the Australian National University of Canberra, a pre med course only accepting 60 students per cohort. This course is available to students before they study the Doctor of Medicine and Surgery at ANU, which in the future I intend to do. I can honestly say that my university application was strongly benefited by my involvement in the National Youth Science Forum, of which my attendance could not have been possible without the help of Moruya Rotary. I would again like to greatly thank the Rotary for the support given this year, and hope you all have a very merry Christmas and Happy New Year.

*Yours sincerely,
Makadde Ethell.*

CRACKERS

Did you hear about the man who stole an Advent calendar?

He got 25 days.

What did the bald man say when he got a comb for Christmas?

'I'll never part with it!'

Why does Santa have three gardens?

So he can 'ho-ho-ho!'
