Moruya 29 November 2022

Invocation. For good food, for good friendship and the privilege to serve we give thanks.

Four Way Test of the things we think, say or do. Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?

SHIRL'S SHENANIGINS

I was reading Club Runner and front page was the statement below.

D9705 Rotary - Respect in relation to Diversity, Equity and Inclusion

Rotary International has committed to promoting diversity, equity and inclusion and has stated that:

... Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, colour, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

Co-incidentally at the Christmas Party for the Carers Group at the Moruya Catholic Church a similar message was high on their agenda.

We hear this term but what is it? Also on ClubRunner's front page,

Uluru Statement From the Heart, recited by Thomas Mayor at a Rotary dinner in Melbourne.

The 4 minute video gives understanding. Copy and paste into your browser.

Shirl's comment - anyone with a heart will be moved by this.

Editor's comment: if you google D9705Club Runner you will probably get to the Statement more quickly.

The board is having a short impromptu meeting before this week's Club Meeting to discuss changes to the Palliative Care Vehicle Project and Australia Day. Shirl

Last Week- Amelia Seymour

Sheldon Jones of Merit Aviation has been promoted to Moruya Airport Manager and Amelia has been recruited to be the Chief Flying Instructor.

She has years of experience in flying round the world. Two years in the Navy introduced her to helicopters. She was able to combine University study in psychology and statistics with practical work for pilot's licences. Included in this general flying experience was the surrogate production of two babies.

In the last two years before moving to Moruya she was a senior instructor in the Caboolture Flying Club. She formed a relationship with Blake, who has a family connection with Ulladulla and it became a strong reason for bringing her to our coast. Blake accompanied her talk with a variety of photographs emphasizing the beauty of our coast when seen from the air.

Merit Aviation receives no State or Federal money, relying on structured learning, from basic one on one flying to Commercial Pilot Licence. The latter involves hours of desk work and lectures.

Amelia has a particular interest in introducing disabled people to the delights of flying.

Our Scholarships—see below

We had four of our brightest young people at our meeting last week—two looking forward to University life and two recounting a character changing year at the ANU, living in Student quarters.

Ava Weymans was a NYSF student. She has been awarded the \$4000 scholarship to assist in her study of medical science at Newcastle University. She was school captain at Moruya High and has done a lot of volunteering with Broulee Surfers Surf Life Saving Club, including work with the nippers program. She hopes to become a rural GP.

Ryle Schuchmann: Carroll College, has been awarded the \$5000 scholarship to assist with his Bachelor of Health and Physical Education at Wollongong University, where he has already gained early entry.

His sports include basketball and cricket and he is also a keen surfer.

Amanda Emery, now eligible to receive the second half of her \$4000 scholarship found life at the ANU challenging. She has switched courses from Bachelor of Commerce to business management and has become active in the Women's movements and the LGBTQ community.

Thomas Derwent, also eligible to receive \$2000, has completed first year International Relations and will be adding law to make a double degree. He enthusiastically participates in many campus activities including the "Inward Bound" endurance, running and orienteering competition
