

Invocation. *For good food, for good friendship and the privilege to serve we give thanks.*

Four Way Test of the things we think, say or do. *Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?*

SHIRL'S SHENANIGINS

Four new members. After a time of loss and concern for our future, things are looking up. In four weeks we have four new wonderful members.

Rhonnie South who works in community Development for the Shire Council and was part of the effort to get washing machine tokens and hot showers for the homeless in Moruya.

Steve Picton's Limousine gives tours, transport and disability services.

Mervyn Jamison has been an active Rotarian in Adelaide and worked in Transport and Machine Sales.

Vere Grey will be our Christmas present from Batemans Bay Rotary where she and husband Gary were both President twice. Vere has an impressive sanitation project in the Philippines which has been supported by Global Grants.

'It is getting desperate,' I wrote about the kiosk two weeks ago. The kiosk is saved by a strong arm, I mean Armstrong – the young one – Tony who has offered to be Manager. The kiosk has a fresh coat of paint and the jockey club is supplying new benchtops. However increased competition from other food suppliers, which the Jockey Club supports, may force more readjustments.

What a laugh was **Agatha Crusty** a very clever comedy with a mind twisting plot and professional acting especially by our trilogy of Gilletts. The bring your own nibbles at our table were of the highest quality and 18 Rotarians the best company. If you have not been it is the best night's entertainment anywhere in the Eurobodalla.

Moruya Rotary feel proud. Makadde Ethell writes in an email to Phil Smith 'I have been accepted into a Bachelor of Health Science at the Australian National University of Canberra, a pre med course only accepting 60 students per cohort. This course is available to students before they study the Doctor of Medicine and Surgery at ANU, which in the future I intend to do. I can honestly say that my university application was **strongly benefited** by my involvement in the **National Youth Science Forum**, of which my attendance could not have been possible without the help of Moruya Rotary.'

Another special week.

Last Week– Progress Report on CAERH

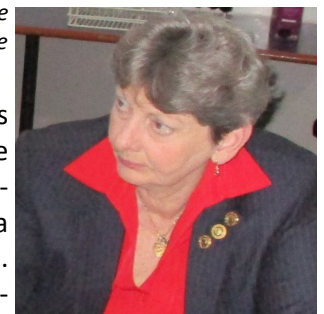

We welcomed Counsellor Rob Pollock, the newly elected President of CAERH, who summarised the present position and the way ahead.

Based on his experience in leading the efforts to update the hospital's Oncology Unit, he was confident that there would be public support for CAERH. Based on the Bega experience in achieving carers accommodation, he forecast a lengthy campaign, working closely with the new hospital building contractors.

Mervyn Jamieson Induction

(Sadly in Pauline's absence photographs of this event are lacking).

Both Mervyn and his partner Sharyn Bais have years of Rotary experience as members of a South Australian Club. Both had been Presidents - Mervyn for several years. To some extent this history led to burn-out.

So, a welcome return to Rotary for Mervyn, with Sharyn as partner.

Rosters for Christmas and January

John Spencer has taken over from Tony the task of Roster Master. He has already completed the roster for Sunday 18th December, which is at page three of this Bulletin.

We then have two more race meetings on Monday 2nd January and Thursday 12th January. If you already know your availability for those two dates please let John know. This will be a big help for him and his hope to have these two rosters completed before Christmas when he and Sandra have booked a cruise.
