

CREATE HOPE
in the WORLD

Invocation. *For good food, for good friendship and the privilege to serve we give thanks.*

Four Way Test of the things we think, say or do. *Is it the TRUTH? Is it FAIR to all concerned?*

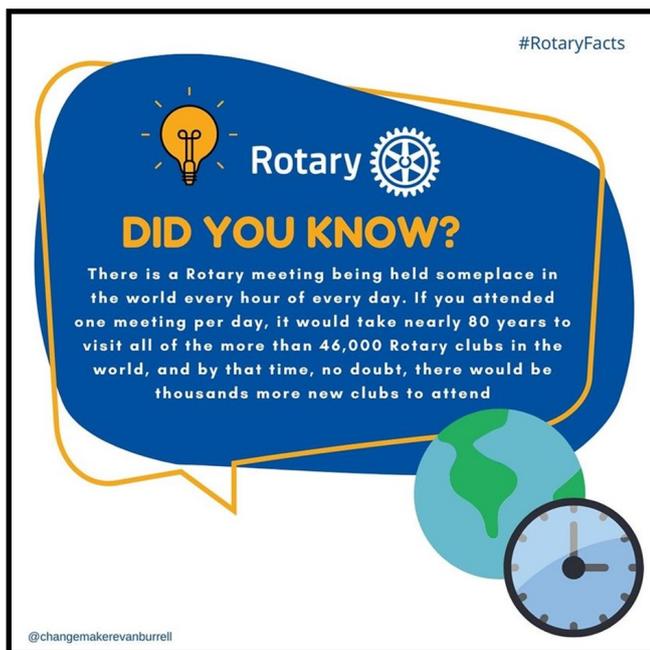

Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?

Derek's Travels

This Saturday Derek and Fran move on to Coffs Harbour for a week.

He has sent the following *Rotary Facts* display apparently the first of a series, perhaps from the Foundation.

Older Rotarians, of whom there are many, might advise that the series spend more space on the words, less on the clever graphics.

Last Week— Lauren Barnett

When Shirl and John moved into their Vulcan Street house, it was neighbour Lauren who first looked in to welcome them. That encounter led to Lauren first visiting then joining our club, a most welcome move.

Lauren grew up in Batemans Bay and over the years had been a volunteer with St Johns Ambulance and an active member of the Surf Club.

After school Lauren went on to tertiary education, starting at Wollongong University and then onto University of New England in Armidale. Her university studies led to a cadetship with the Council and to two decades of work and her present employment in computer systems administration in the IT section.

There was a major interruption in her life when she suffered horrendous injuries in a road accident leading to months in Canberra Hospital and a long journey of recovery.

Her twins are now in Year 12, with big decisions to be made on future career paths. The twins recently gained their P plates, the boy is a very keen chess player and his sister is very creative in textiles and sewing.

We welcomed Lauren's mother Judy who works with us at the kiosk. It would be safe to say that Judy has been a steady support through the ups and downs of Lauren's life—certainly an 'up' at present as we welcome our new and very active Rotarian.

Friday's Outing at the Kiosk

A report by Race Manager Peter

What was expected to be a quiet winters day working at the races turned out to be somewhat different. The fine but coolish weather, the large roll up of punters, the lack of competition from other food vendors while good for our takings, turned out to be somewhat of a challenge for our lightly staffed morning shift. The queues started at 11am and continued until well into the afternoon. As always the figures say it all and we finished up with takings of \$4,319.00.

Everybody rose to the occasion on the day. Jan as usual was exceptional spending a large part of the day by herself in the kitchen. Special thanks to our "both" Cashier and Order writer Lauren and her mother Judy who worked double shifts. Judy starting in the kitchen doing preparation, moving to the counter for a couple of hours and then back into the kitchen to do the washing up at the end of the day.

Reflecting on the meeting, we are fortunate to have such a great bunch of volunteers whose experience and ability overcame a testing day. *Peter*

Footnote by the Editor: Peter does not mention it, but we had gaps in John Spencer's carefully prepared roster leading to some very hard worked people, including Peter himself.

Membership List as part of the Bulletin.

Last week I raised the possibility of dropping the list of members. However it seems that some of us do find it useful, so I have tidied it up, showing some honorary members in red.

Also from last week, Steve Picton has volunteered to be our photographer during Pauline's absence.

Meal Numbers.

John Spencer will assume you will be attending Tuesday meetings unless he hears otherwise.

We have to notify the Golf Club how many meals are required by 10 am on Tuesday. That is the number of meals ordered and they have to be paid for. .

If you will **not** be attending, please contact John by phone or message at 043 8282 663 before 10am Tuesday.

To assist the kitchen staff and avoid late service it is equally important that you contact John if you intend to bring any guests, plus any dietary requirements they have.
