Kathleen Gogerly presenting Deb Hails with her painting gift for the club

**Guest Speakers: Introduced by Youth Director Deb Hails**

Kathleen Gogerly and Jade Zisque reported to members on their university studies this year. Both were extremely appreciative of their club bursary and articulated the positive impact it has had. Studying at university is a very costly enterprise.

- Kathleen – completed third year studies in Primary teaching. Pracs this year at Concordia (Toowoomba) and Nanango SS. Current GPA is 6.83. Wanting a TA position in 2022 to compliment her 4<sup>th</sup> year studies. Kathleen presented the club with a beautiful painting of Kingaroy.
- Jade – first year studying a double degree in Biochemistry/Molecular Biology and Japanese. Very interested in research. Has a job as a pharmacy assistant to support herself.

PDG Eric Wood – wasn't here to be a guest speaker, rather to collect the ham he won at the recent Kingaroy Christmas Ham Wheel. Well done Eric!
