Rotary
Club

We are excited to announce that the Global Nurses and Midwives Rotary Club has become part of the change!!

Caring for our environment is one of Rotary and our Club's 7 areas of focus. It is so important that we all contribute to protecting our environment as much as possible.

Containers for Change is a fabulous initiative that promotes positive recycling behaviours that helps the environment as well as supporting charities to fundraise. It is a win – win for all involved.

Global Nurses and Midwives Rotary Club is promoting care of the environment by encouraging Rotarians to recycle eligible drink containers – with 10 cents being donated back to our Rotary Club. We intend to channel the funds raised towards purchasing **Rotary Solar Cases**. There is so much potential for this life saving and vital initiative bringing a power source to parts of our world still requiring such a basic of life that the rest of us take for granted.

Only Queensland and Western Australia have this recycle program available. All Rotarians and other supporters in these participating States are encouraged to deposit their recyclables at their nearest **Containers for Change** depots. We ask you to provide our Scheme ID to donate your refund to our cause.

Please share our cause and our scheme ID to your friends, family, and work colleagues.

**The GNMRC
Qld Scheme ID is
C10470980**

To donate your refund, it is as simple as providing our scheme ID the next time you recycle.

**Watch every 10cent
make a difference!**

WHAT CAN I RETURN?

Most aluminium, glass, plastic, steel and liquid paperboard beverage containers between 150ml and 3L are eligible for a 10 cent refund.

Eligible containers must:

- ✓ Be included on the scheme's list of products. Use our eligibility checker below to ensure your containers are eligible.
- ✓ Display the refund mark (e.g. "10c refund at collection depots/points in participating State/Territory of purchase")

There are some beverage containers that are not eligible for a refund. Generally excluded containers are those that are less than 150ml and greater than 3L.

Excluded containers include:

- ✓ Plain milk containers of all sizes including plant-based milk substitutes
- ✓ Glass containers that contained wine or pure spirits
- ✓ Containers 1L or more that contained flavoured milk, pure fruit or vegetable juice, cask wine or cask water
- ✓ Concentrated/undiluted cordial or syrup containers
- ✓ Sachets above 250ml that have contained wine
- ✓ Registered health tonics
