OUR CLUB

The Saugeen Shores Rotary Club is a vibrant volunteer service organization dedicated to making a positive impact in our local community and beyond. As part of Rotary International, we are committed to service above self. We support a wide range of initiatives that promote youth development, community well-being, and global humanitarian efforts. From local infrastructure projects to international aid, the Saugeen Shores Rotary brings people together to create lasting change — right here at home and around the world.

OUR CAUSE

This year, all proceeds from **The Saugeen Shores Rotary Club Annual Golf Classic** will be dedicated to the development of sports recreation programs and facilities in our community.

We believe that accessible, high-quality recreational spaces play a vital role in building a healthy, connected, and vibrant Saugeen Shores. That's why we're proud to support two transformative projects: **Lamont Sports Park**, a growing hub for local ball leagues and community events, and the future **Aquatic & Wellness Centre**, which will provide year-round access to swimming, fitness, and wellness opportunities for residents of all ages.

By supporting this tournament, you're not just investing in a great day of golf — you're helping shape the future of recreation and community well-being in Saugeen Shores.
