

My Actions Are The Ground Upon Which I Stand

OUR CLUB

The Rotary Club Saigon International, as the name implies is a diverse group of passionate members coming together to serve our native or adoptive community in Vietnam. We have shown ourselves reactive and dynamic, raising over 250,000 USD in only 3 months to support various Covid-19 relief projects with great help from Rotary Clubs and other organizations across the globe.

During RI President Shekhar Mehta's tour in South East Asia, our club had the honor of hosting his visit to Vietnam, inspiring and encouraging us, People of Action, to continue our work, and to Imagine the future of Rotary in Vietnam.
