

Membership Application

Financial Responsibility

I, _____, hereby submit my application for membership in the Compass Club of Colorado. I acknowledge that I have received, read, and accept the terms set forth in the Annual Dues, Fees, and Charitable Giving Expectations Fact Sheet provided to me. I understand that as part of my membership I am making a financial commitment to the Club in the form of *quarterly membership dues* (currently \$75 per quarter). I also recognize suggested *quarterly contributions to the Rotary International*. In addition to the Compass Club of Colorado membership dues, I authorize Denver Metro South RC to bill my credit card per quarter as a contribution to the Compass Club of Colorado. As part of this application process, I am providing my credit card information so that the membership dues and any other contributions and donations I choose to make can be automatically billed to my credit card. I understand that I can receive a receipt for any and all fees, dues, and contributions I make for my records. Upon approval of my membership application and upon induction to the club, I authorize the Rotary Club of Denver Metro South to begin billing my credit card for the above fees, dues, and contributions and for any social functions I choose to attend and other donations I choose to make. This authorization is valid for as long as I am a member of the club, or until revoked in writing and thereafter to collect charges outstanding as of the date of resignation or revocation.
