

Upper Keys Rotary Club Scholarship Application for "Returning Students" Students who graduated CSHS or ICS Before 2024

DUE Midnight April 15, 2024

Let's get started! You will need:

- At some point we will need information from the FAFSA... or whatever it will be called by then. Whenever they quit playing around with the forms, get it done.
- A copy of your college transcript for all work since high school. This does NOT have to be an official copy you get for a fee. A screen shot or pdf print off will work.
- Then, you need a way to complete this form.

1. This is a "fillable" PDF. You should save it and then use Adobe Acrobat or Acrobat Reader/Acrobat DC to open the saved file. With either of those tools, you can fill in all the fields. If you find you can NOT type into a form field, you are probably in your browser's pdf viewer. That will NOT work!
2. You may print this pdf, fill it out by hand, and then scan it back to a pdf.
3. You may import this pdf into Word, complete it, and export it as a pdf.
4. Please NEVER send it to us as an Apple .PAGES file. No Apple .PAGES, .MOV, .FLV, or .HVEC files, please!
5. There is a Financial Sheet in this application. You may wish to print just that page and fill it out by hand or in Word. We need a version for the school you plan to attend in 2024/25. The Financial Sheet is Mandatory.
6. As a Returning Student who graduated before 2024, we ask you to create a video for us. The prompts for the video are on page 6 of this application. Please, if you use an Apple product to create your video, click Export in iMovie or other app and then choose MP4 as the output format. No MOV, or .FLV files, please!
8. When your application is complete, please send an email to UpperKeysrotary@Gmail.com and say, "My name is [your name] please send me a link." Within 24 hours you will receive an email with a link to a private folder on a Google Drive. Open the Google Drive and drag & drop or copy and paste the application pdf file, the EFC page file, your transcript file, your video file, and any other files such as a separate Financial Sheet into the Google Drive folder. The Google Drive Folder is secure, private, and ONLY for you.
And Please Never send us .Pages, .MOV, .FLV or .HVEC files. Please only send PDF, JPG, and MP4 files!
9. We will not consider your application without both the EFC and the Financial Sheet. (Yes, under special circumstances you can submit the EFC late... we understand the IRS. But tell us in the body of the email!)
