

# Upper Keys Rotary Club Scholarship Application for CSHS Class of 2022 DUE BY Midnight April 6, 2022

**Let's get started! You will need:**

**-- An image of the Expected Family Contribution page from your FAFSA. If you don't know what that is, see your counselor for help.**

**-- A way to complete this form.**

- 1. This is a "fillable" PDF. You should save it and then use Adobe Acrobat or Acrobat Reader/ Acrobat DC to open the saved file. With either of those tools, you can fill in all the fields. If you find you can NOT type into a form field, you are probably in your browser's viewer. That will NOT work!**
- 2. You may print this pdf, fill it out by hand, and then scan it back to a pdf.**
- 3. You may import this pdf into Word, complete it, and export it as a pdf.**
- 4. Please NEVER send us an Apple .PAGES, .MOV, or FLV file !**
- 5. There is a Financial Sheet in this application. You may wish to print just that page and fill it out by hand or in Word. We need a version for each school you plan to attend. The Financial Sheet is Mandatory.**
- 6. Optionally, you could attach a letter of recommendation that is unique or especially important. Your application is fine without a letter of recommendation!**

**FINALLY:** After you complete the form and gather any other materials, you will create an email addressed to [UpperKeysrotary@Gmail.com](mailto:UpperKeysrotary@Gmail.com) and attach the application pdf, the EFC page, and any other files such as a separate Financial Sheet.

Please put your name in the Subject line and your name and phone number in the body of the email. We will not consider your application without both the EFC and the Financial Sheet. (Yes, under special circumstances you can submit the EFC late... we understand the IRS. But tell us in the body of the email!) **HIT SEND on the Email before midnight April 6 !**

**Questions? Email [UpperKeysRotary@Gmail.com](mailto:UpperKeysRotary@Gmail.com) or ask your counselor.**

## Special Category Scholarships

We have scholarships in three special areas: Medical Arts, Videography / Performance, and Art. Students selected for one of these scholarships come from the general pool of applicants. It's not an either/or. You should complete this general application, but if you want to also be considered for one of these special categories, you should do a little more.

**MEDICAL ARTS:** The Upper Keys Rotary Club and Mariners Hospital offer a community partnership scholarship for a student interested in the medical arts. If you want to be considered for this scholarship award in addition to the Upper Keys Rotary general award process, please add a letter to your application describing the area of the medical arts (nursing, pharmacy, medical doctor, etc) that interests you and specifically discussing your plans and your experience in courses in biology and chemistry.

**Videography / Theater / Performing arts:** We gratefully confirm that Jon and Julie Landau will continue their scholarship for a talented videographer or performer. If you want to apply by submitting videos, send an email to [UpperKeysRotary@gmail.com](mailto:UpperKeysRotary@gmail.com) with LANDAU in the subject line and your name, phone number and email address in the body. We will send you special upload link through email within 24 hours. No .MOV or .FLV files. MP4 is best.

**ART:** Every year the Upper Keys Rotary Club awards a special scholarship in the name of art lover Dee Meeks. If you are an artist working in any medium and want to be considered for this scholarship award in addition to the general Upper Keys Rotary award process, we ask that you provide photos/videos and interpretations of your work. If you want to apply, send an email to [UpperKeysRotary@gmail.com](mailto:UpperKeysRotary@gmail.com) with ARTIST in the subject line and your name and phone number and email address in the body. We will send you a special upload link through email within 24 hours. No .MOV or .FLV files. MP4 file format is best for video and jpg for photos.

### **FINAL STEPS (Almost Done!)**

-- NEXT: Please copy the Expected Family Contribution (EFC) page from your FAFSA . We will ask you to upload the EFC image along with other information below. The EFC page is a **Must Have!** We can not consider your application without the complete Financial Sheet (above) and the EFC page. (Yes, we understand the IRS can be slow. Let us know in the body of your email.)

-- THEN, optionally, collect any recommendation letters that describe something important or interesting about you. Recommendation letters are not required! Please do not ask a teacher to write a letter saying you are a good student. We are only interested in anything unique or important. **Your application is fine without a recommendation letter!**

-- IF you are an artist working in any medium or a videographer/ performer, send a separate email as described in the Special Category Scholarships section above and within 24 hours we will send you a link where you can upload photos or videos of your work. No .MOV files please. MP4 or JPG are best.

-- FINALLY: Create an email addressed to UpperKeysRotary@Gmail.com. Include your name in the Subject line! Put your name and phone number of the body of the email. Then, attach this completed application PDF including the financial worksheet, the EFC portion of the FAFSA, and any optional recommendation letters to the email. Please never send an Apple .PAGES file or an Apple video as .HEVC or .MOV files. Those file types really gum up the system! **Hit SEND on your finished email before midnight August 6, 2022!**
