**The Rotary Club of Mental Health & Wellness (RCMHW) Launches the 2025 “Be Kind” Scholarship application. RCMHW is looking for students who are passionate about the topic of mental health support and service.**

Glendale, California: February 1, 2025 — The Rotary Club of Mental Health & Wellness (RCMHW) announces the 2025 launch of its “Be Kind” Scholarship. This scholarship program is aimed at supporting students passionate about providing mental health support within their respective fields of work (i.e., clinical, medical, film, science, etc.)

The scholarship is open to current undergraduate and graduate students pursuing studies that contribute to the field of mental health. RCMHW will award up to a total of \$7,000 in scholarship awards.

The Rotary Club of Mental Health & Wellness believes that it takes a community of caring & dedicated individuals in varied fields to address the comprehensive mental health needs of this country. As such, we encourage all students who are committed to addressing the topic of mental health within their professional fields to apply.

In 2022, The Rotary Club of Mental Health & Wellness was founded with the goal of bringing together members from all areas of our community and various professional backgrounds to address the mental health crisis impacting our communities. Soon after the club’s commencement, it launched the goal of creating a scholarship to support the success of students who are working to continue supporting this field.

With the “Be Kind” Scholarship, RCMHW hopes to turn passion into action and support students in working for the issues they believe in.

To apply, students must download and complete the scholarship application available on our website, [www.rotary4mhw.org](http://www.rotary4mhw.org), and submit applications along with supporting documentation to [rotary.bekind@gmail.com](mailto:rotary.bekind@gmail.com)

**Applications are due March 15, 2025. The winner/s will be announced on April 15, 2025.**
