

Call for Suggestions Rotary 5010 District Governor 2021-22

Club Suggestion Submission Deadline: August 31, 2018

The Rotary clubs in our district have many outstanding past presidents, dedicated to providing service to Rotary and who bring life and leadership to our clubs. Serving as district governor is an opportunity for these committed Rotarians to bring the same leadership and service to our Rotary District. **Now is the time for your club to suggest an outstanding Past President for District Governor 2021-22.** Your club's suggestion is due no later than August 31, 2018.

In addition to service to Rotary, serving as governor is an opportunity for a Rotarian's personal growth through many new experiences, before, during and after the governor year. For example, past District Governors may be appointed to Rotary International committees and resource groups, may be invited to represent the RI President at other districts' conferences, and are the only individuals eligible to serve as the district's delegate to the Council on Legislation, as Trustees of the Rotary Foundation or members of the RI Board of Directors.

The nominating committee is asking that your club consider which of your Past Presidents would be great leaders for our District and share this announcement with them. If they feel they can make this commitment, we encourage you to suggest them for this important office.

To nominate a Past President, clubs must pass a resolution adopted at a regular membership meeting, signed and dated by the club president and the secretary. Each club may submit one nomination. A draft resolution for club use is attached. For your convenience, the list of District Governor responsibilities and RI prohibitions against campaigning, electioneering and canvassing as set out in the 2016 RI Manual of Procedure are provided with this Call For Suggestions.

If your club would like someone to speak about the selection process or the position, please let a member of the nominating committee know. A time can also be scheduled to talk with the past presidents in your club who may wish to consider this exciting opportunity now, or in the future. If you have questions or would like more information, please contact any of the nominating committee members shown below.

Candidate interviews will be held December 15, 2018 in Anchorage. Location and times TBA.

We look forward to receiving your suggestion.

Carolyn Jones, PDG

Chair, D5010 Governor Nominating Committee 2018-19
386-503-6270
