

LEADERSHIP ACADEMY ROTARY DISTRICT 5010

Preparing the Rotary leaders of tomorrow

The Leadership Academy is an advanced educational program for those interested in learning more about Rotary, looking to participate in future leadership positions and to find more effective ways to conduct Rotary work --- within clubs or in district Rotary service.

Goal – Club nomination of one or more members to the Academy each Rotary year.

A seven month series of online learning topics – September through April

Open to all Rotarians including past club presidents, president elects (PE), president nominees, D5010 committee members, or other Rotarians who are considering Rotary leadership positions now or in the future.
