Re: Important Information about **Claims Information Line**

Dear **Rotary District 5010, Rotary International**

Travelers Bond & Specialty Insurance is pleased to announce its **1-800-842-8496** Claims Information Line. This line is designed to provide insureds with an additional resource on how to report claims or those circumstances or events which may become claims.

Policyholders will be able to obtain assistance on the following topics from the Claims Information Line:

- The information that needs to be included with the claim notice
- The address, electronic mail address and/or facsimile number to which the policyholder can send claims related information
- Get questions on the claim process answered

The Declarations Page of your policy sets forth where you should report claims and claims related information. You should also review the policy's reporting requirements to be aware of how much time you have to report a claim to Travelers. The sooner Travelers is notified, the sooner we can become involved in the process and offer assistance to our policyholder. A delay in reporting may result in all or part of a matter to fall outside of the coverage provided.

The Claims Information Line should streamline the claim reporting process and allow policyholders to ask questions on what information is needed as well as other questions which will assist them in working with Travelers. While the Claims Information Line provides policyholders a valuable resource by answering questions and providing information, the line does not replace the reporting requirements contained in the Policy.

We hope this improvement to customer service is something our policyholders will find helps them understand the claim process and provides them a resource for reporting.

Best regards,
Bernice Meeks

Alaska Attorney Fees Coverage Notice Right Or Duty To Defend -Within Limits

This Policy Limits Coverage For Attorney Fees Under Alaska Rule Of Civil Procedure 82

In any suit in Alaska in which the insurer has a right or duty to defend an insured within the limits of liability, the insurer's obligation under the applicable coverage to pay attorney fees taxable as costs against the insured is limited as follows:

Alaska Rule of Civil Procedure 82 provides that if the insured is held liable, some or all of the attorney fees of the person making a claim against the insured must be paid by the insured. The amount that must be paid by the insured is determined by Alaska Rule of Civil Procedure 82. The insurer will provide coverage for attorney fees for which the insured is liable under Alaska Rule of Civil Procedure 82 subject to the following limitation:

If the limit of liability of the applicable coverage is \$1,000,000 or more, the insurer will not pay any combination of judgment or claim settlement and attorney fees under Alaska Rule of Civil Procedure 82 that exceeds the limit of liability of the applicable coverage.

If the limit of liability of the applicable coverage is less than \$1,000,000, the insurer will not pay more than the greater of:

- that portion of any attorney's fees that is calculated by applying the schedule for contested cases in Alaska Rule of Civil Procedure 82(b)(1) to the limit of liability of the applicable coverage; or
- \$10,000.

This limitation means the potential costs that may be awarded against the insured as attorney fees may not be covered in full. The insured will have to pay any attorney fees not covered directly.

Example 1:

The attorney fees provided by the schedule for contested cases in Alaska Rule of Civil Procedure 82(b)(1) are:

- 20% of the first \$25,000 of a judgment;
- 10% of the amounts over \$25,000 of a judgment.

Therefore, if a court awards a judgment against the insured in the amount of \$1,250,000, in addition to that amount the insured would be liable for attorney fees of \$127,500 under Alaska Rule of Civil Procedure 82(b)(1), calculated as follows:

20% of \$25,000	\$5,000
10% of \$1,225,000	\$122,500
Total Award \$1,250,000	Total Attorney Fees \$127,500

If the limit of liability of the applicable coverage is \$1,000,000, the insurer would pay \$1,000,000 of the total of the \$1,250,000 award, less the costs incurred defending the insured, and none of the attorney fees under Alaska Rule of Civil Procedure 82(b)(1).

The insured would be liable to pay, directly and without the insurer's assistance, the remaining judgment in excess of the remaining policy limit plus the \$127,500 attorney fees under Alaska Rule of Civil Procedure 82.

Example 2:

The attorney fees provided by the schedule for contested cases under Alaska Rule of Civil Procedure 82(b)(1) are:

- 20% of the first \$25,000 of a judgment;
- 10% of the amounts over \$25,000 of a judgment.

Therefore, if a court awards a judgment against the insured in the amount of \$650,000, in addition to that amount the insured would be liable under Alaska Rule of Civil Procedure 82(b)(1) for attorney fees of \$67,500, calculated as follows:

20% of \$25,000	\$5,000
10% of \$625,000	\$62,500
Total Award \$650,000	Total Attorney Fees \$67,500

If the limit of liability of the applicable coverage is \$500,000, the insurer would pay \$500,000 of the \$650,000 award, less the costs incurred defending the insured, and \$52,500 of the attorney fees under Alaska Rule of Civil Procedure 82(b)(1), calculated as follows:

20% of \$25,000	\$5,000
10% of \$475,000	\$47,500
Total Limit of Liability \$500,000	Total Attorney Fees Covered \$52,500

The insured would be liable to pay, directly and without the insurer's assistance, the judgment in excess of the remaining policy limit plus the remaining \$15,000 for attorney fees under Alaska Rule of Civil Procedure 82 not covered by this policy.

Example 3:

The attorney fees provided by the schedule for contested cases in Alaska Rule of Civil Procedure 82(b)(1) are:

- 20% of the first \$25,000 of a judgment;
- 10% of the amounts over \$25,000 of a judgment.

Therefore, if a court enters a judgment against the insured in the amount of \$500,000, in addition to that amount the insured would be liable for attorney fees of \$52,500 under Alaska Rule of Civil Procedure 82(b)(1), calculated as follows:

20% of \$25,000	\$5,000
10% of \$475,000	\$47,500
Total Award \$500,000	Total Attorney Fees \$52,500

If the limit of liability of the applicable coverage is \$50,000, the insurer pay \$50,000 of the \$500,000 award less the costs of defending the insured, and \$10,000 of the attorney fees under Alaska Rule of Civil Procedure 82(b)(1), calculated as follows:

20% of \$25,000	\$5,000
10% of \$25,000	\$2,500
	Minimum Limit \$10,000
Total Limit of Liability \$50,000	Total Attorney Fees Covered \$10,000

The insured would be liable to pay, directly and without the insurer's assistance, the judgment in excess of the remaining policy limit plus the remaining \$42,500 for attorney fees under Alaska Rule of Civil Procedure 82 not covered by this policy.

This endorsement changes the Policy to comply with Alaska law. It supersedes all terms of this Policy, including other endorsements.

Alaska Changes Endorsement

If this Policy is construed under the laws of the state of Alaska, the following applies:

1. **Appraisal.**

For any loss disagreement, the Insurer and the *Insured* will each select an appraiser. The appraisers will select an umpire. All expenses and fees, other than counsel or adjuster fees, incurred for the appraisal will be paid as awarded by the umpire.

2. **ERP – Optional.**

Optional ERP available terms will include an option of at least five years.

3. **Other Insurance.**

If *Loss* is covered under this Policy and any other valid and collectible insurance of the same type, then this Policy will apply proportionately with such other insurance, unless it states by specific reference that it is excess over this Policy.

4. **Right To Legal Counsel.**

The *Insured* has the right to have legal counsel present at any examination under oath.

5. **Suits Against The Insurer.**

The *Insured* will have up to three years from the time a breach of contract is first discovered to bring legal action against the Insurer.

This endorsement modifies any Coverage Part or Coverage Form included in this Policy that is subject to the federal Terrorism Risk Insurance Act of 2002 as amended.

Cap On Losses From Certified Acts Of Terrorism Endorsement

The following is added to this Policy. This provision can limit coverage for any loss arising out of a *Certified Act Of Terrorism* if such loss is otherwise covered by this Policy. This provision does not apply if and to the extent that coverage for the loss is excluded or limited by an exclusion or other coverage limitation for losses arising out of *Certified Acts Of Terrorism* in another endorsement to this policy.

If aggregate insured losses attributable to *Certified Acts Of Terrorism* exceed \$100 billion in a calendar year and the Insurer has met its insurer deductible under *TRIA*, the Insurer will not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Certified Act Of Terrorism means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of *TRIA*, to be an act of terrorism pursuant to *TRIA*. The criteria contained in *TRIA* for a *Certified Act Of Terrorism* include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to *TRIA*; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

TRIA means the federal Terrorism Risk Insurance Act of 2002 as amended.

This endorsement modifies any Coverage Part or Coverage Form included in this Policy that is subject to the federal Terrorism Risk Insurance Act of 2002 as amended.

Federal Terrorism Risk Insurance Act Disclosure Endorsement

The federal Terrorism Risk Insurance Act of 2002 as amended ("TRIA"), establishes a program under which the Federal Government may partially reimburse "Insured Losses" (as defined in TRIA) caused by "Acts Of Terrorism" (as defined in TRIA). Act Of Terrorism is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government's share of compensation for such Insured Losses is established by TRIA and is a percentage of the amount of such Insured Losses in excess of each Insurer's "Insurer Deductible" (as defined in TRIA), subject to the "Program Trigger" (as defined in TRIA). Through 2020, that percentage is established by TRIA as follows:

- 85% with respect to such Insured Losses occurring in calendar year 2015.
- 84% with respect to such Insured Losses occurring in calendar year 2016.
- 83% with respect to such Insured Losses occurring in calendar year 2017.
- 82% with respect to such Insured Losses occurring in calendar year 2018.
- 81% with respect to such Insured Losses occurring in calendar year 2019.
- 80% with respect to such Insured Losses occurring in calendar year 2020.

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds \$100 billion, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed \$100 billion in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

For each coverage provided by this policy that applies to such Insured Losses, the charge for such Insured Losses is no more than one percent of your premium, and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA. Please note that no separate additional premium charge has been made for the terrorism coverage required by TRIA. The premium charge that is allocable to such coverage is inseparable from and imbedded in your overall premium.

Authorization And Changes.

The Named Insured will act on behalf of all *Insureds* regarding the payment of premium, receipt of return premium, change of coverage, and receipt of notices of cancelation or nonrenewal. Each *Insured* agrees that they have delegated such authority to the Named Insured.
