Rotary Youth Exchange D5010

Update February 2021

We have no outbounds or inbounds this year (2020-21) due to the pandemic.

We do have outbound applicants for next year. There are 7 applicants for the school year (long term) program and 3 for the summer family-to-family (short term) program. In previous years, we typically had 20 + outbound students for the school year and 5 for the summer programs, with the same number of inbound students.

At this point we do not know if exchange will be possible next year, but are working with the students and their families to be ready should the situation permit.

We are using this time to review, update, and improve our program operations.

Please direct any questions to either Jeff Johnson, Chair or Cheryl Keepers, Deputy Chair.

Jeff can be reached at 907.355.5098

Cheryl can be reached at 907.750.4918
