5040 ROTARY SPIRIT....

FOUNDATION DINNER IN PRINCE RUPERT

Adventures abound for me this year in Rotary! On Saturday, March 6, I flew into the Prince Rupert airport which is located on Digby Island southwest of the city. After retrieving my luggage, I boarded a bus that took all the passengers across the strait on a small ferry and then into rejuvenated downtown Rupert. The construction of the new cruise ship terminal is well advanced and the surrounding shops in Cow Bay are colourful and trendy. **Bill Parmar, the Assistant Governor of the area**, welcomed me and took me to his home where he, Anita and I had tea before going out for lunch.

In the evening, I had a second sailing on the "SS Foundation" which provided a great theme for decorations and costumes. The **Prince Rupert and Hecate Strait clubs** presented a total of 9 Paul Harris Fellows to deserving Rotarians and community leaders. The live auction was really lively -- assisted by several talented auctioneers. The hit of the evening was the sale of Anita Parmar's homemade samosas which sold for \$5 each. They were so delicious that they were a bargain at that price.

PETS

On Thursday, March 11, **Nancy Nikolai and Otto Rieve (both Assistant Governors)** and I drove to Seattle for our annual **Presidents Elect Training Seminar**. What an experience it is getting caught up in the enthusiasm of 550 incoming Presidents from 10 Rotary districts in the Pacific Northwest region. The motivation and inspiration was provided by the presentations from **past RI Presidents Rick King and Cliff Dochterman** as well as **Ryan Hreljac and Dr. Joe Serra**. Ryan is a 12-year old boy who has been instrumental in raising over \$700,000 to build water wells in Uganda.

Mary's Meanderings....

Mary's meanderings will capture the adventures Sandy and I have this year as we meet the District 5040 Rotarians on our official District Governor visits and other Rotary sponsored events.

ROTARACT CHARTER

The **Rotaract Club of Langara College**, the 7th in our district, was chartered in early March. On March 17th, 20 Rotarians and guests joined with the 15 members of the new club to induct the Rotaractors and install their Board. Since it was St Patrick's Day, the Rotaractors had green streamers and balloons adorning the hall and baked cookies and a cake decorated with Irish green icing and shamrocks. The proud Rotarians of the **Vancouver Arbutus Club**, the sponsoring club, were present to provide Rotaract pins and Lend A Hand banners to the new members.

PAUL HARRIS FELLOWSHIPS FOR OUR INTERACT AND RYLA CHAIRS

On March 31st, the **Rotary Club of West Vancouver**, honoured **Jim Ling and Sally Abbott** with Paul Harris Fellowships. It was a wonderful evening with Interact Club Presidents, Interactors and Rylarians present to congratulate both Jim and Sally for their excellent contributions to the youth programs of Rotary. It was very evident that both these Rotarians believe in our youth and wish to have Rotary take a lead in providing our youth with leadership and organizational skills.

A ROTARY RECRUITING MODEL

Aim

Outline a 5 Step Recruiting Model that doubles membership and fosters perpetual membership growth.

Assumptions

- Recruiting new members is a priority
- At best, 10% of club members will recruit new members
- We each know 2000 people, some will make great Rotarians
- We have the ability to reach all ideal candidates in our community

Step 1 - Cap Membership

- Ask each club member to write down the ideal size for the Rotary Club
- The Secretary determines the average number and reports the results
- The number is the cap for the next couple of years
- This exercise results in a clear goal

Step 2 - Assemble a SWAT TEAM

- Assemble a crack recruiting team to recruit one new member each within 45 days

Step 3 - Develop a Master Prospect List

- Team members write down their 20 best prospects
- Team members meet to collate a master prospect list
- Duplicate names and classification issues are sorted out
- The prospect list is presented to all Club members and approved

Step 4 - Sift for Rotary Interest

- Each team member calls their prospects and sifts for interest
- Prospects are mailed a brochure and referred to the Club or Rotary web site
- Those who show an interest are invited to a free Rotary meeting
- This Rotary meeting is a special event with a good speaker and a great program
- Follow up with a knowledgeable Rotarian to speak to the prospect about Rotary membership
- Induct new members with fanfare

*...to the Royal City's SPRING FLING
- A Centennial Project Fundraiser*

On February 23, 2005, Rotary International, will celebrate its 100th anniversary. The Royal City Rotary Club and the New Westminster Rotary Club are joining forces in a community project to celebrate this impressive landmark by contributing \$100,000 to the enhancement of the Crosstown Greenway which runs through New Westminster and connects Coquitlam, Burnaby and Vancouver.

Greenways are multi-use paths and designated walking and cycling routes that are enhanced by landscaping features, traffic calming devices, and pedestrian and cycling priority measures. The Crosstown Bikeway/Greenway, which provides opportunities for recreation and facilitates bicycle and pedestrian travel across the City, connects parks, schools, shopping areas and SkyTrain stations. The Greenway is widely utilized by runners, walkers and bikers who enjoy the views while they reap the benefits of exercise and fresh air.

The Royal City Spring (2004) Fling will be the kick-off to fund-raising for new benches, information kiosks and other enhancements to the Greenway. This will be a fun-filled, casual evening at the **New Westminster Armories on Saturday, May 29th, beginning at 8:00 p.m.** Music is being provided by The Tiller's Folly, a well-known West Coast band who play a wide variety of music for your dancing pleasure. A snack is included in the evening, and there will be a live auction of several highly desirable items, such as a team-signed Canucks retro jersey.

Tickets are \$50 per person and are available from any member of the Royal City Rotary Club or the New Westminster Rotary Club. For additional ticket information, call Donna @ 604-323-4550.

...Youth around the District

What is RYLA?

The **Rotary Youth Leadership Awards ("RYLA")** is a program for young people that was officially adopted by Rotary International in 1971. Conducted on a district level, RYLA offers Rotarians a special opportunity to take part in developing qualities of leadership and good citizenship among the young people of their communities.

RYLA introduces a large number of young people and their families to the Rotary ideals of service each year. It helps bridge the communication gap between the generations and helps improve relationships among youth groups, families and the community. RYLA also has been instrumental in the formation of Rotaract clubs and complements all other Rotary youth activities.
