***District Governor's
 Welcome to our
 Rotary Year***

Our District continues to support The Objects of Rotary and The Rotary Foundation with enthusiasm, dedication and hard work. I am looking forward eagerly to our year together and to the opportunities of working with club presidents, their boards, and the district leadership team.

Jonathan Majiyagbe's theme "Lend a Hand" challenges us to become personally involved. One area, the Family of Rotary, involves extending our caring reach beyond each Rotarian, to Rotarian partners, family members and community supporters. Other focus areas include lending a hand for the alleviation of abject poverty, for education of the illiterate, and for relief from the scourge of disease.

As we enjoy the fellowship of Rotary, let us also strive to meet the standards of an effective Rotary Club - one where there is growth, one which takes on projects in its community and in the wider world community, one which supports the Rotary Foundation both financially and in service projects, and one which produces Rotarians trained and willing to serve beyond the club level.

Mary and Sandy

How we Sowed the Seeds in 2002-2003

The new Rotary year has started and we have had the change over to District Governor Mary and Partner Sandy Watson. We wish them every success as they lead District 5040 over the next year. We are pleased with the spirit of cooperation that is apparent in our District. This spirit allows us to build on the accomplishments of the previous year.

In Brisbane at the International Convention, President Bhichai encouraged us to continue to "Sow the Seeds of Love" as we "Lend a Hand".

We have had an exciting year in District 5040. Rotarians committed themselves to many worthwhile community and international projects. We surpassed our goal for donations and commitments to the Polio Eradication campaign raising in excess of \$400,000 Canadian.

So, what were some of the other highlights? We hosted Rotary International President Bhichai Rattakul early in May. What an event! Both the incoming and outgoing GSE Teams represented their countries extremely well. A number of Ambassadorial Scholars studied in our District this past year and we were very pleased to see them involved at District events and meeting Rotarians in our District.

Also, Sue Birtwell, an Instructor at Kwantlen University College, with a Rotary Grant for University Teachers, successfully organized an "On-line/Distance Education" programme for the University of the West Indies. Jim Patenaude, a Vancouver Policeman, was a cultural scholar in Mexico. Both Sue and Jim were great ambassadors for our District.

The programmes for youth, including Youth Exchange, Rotaract, Interact and RYLA were very successful once again. In fact, we chartered 4 Rotaract clubs and 1 Interact club in the District this past year.

We had a fun-filled and informative District Conference in May in Whistler, put together by an enthusiastic and hard-working Conference committee led by Conference Chair Dennis Magrega. We had a number of outstanding speakers who motivated and inspired us. Rotary International President's Representative PDG Bill Sturgeon and his partner Sandra were very supportive and complimentary of the achievements of our District. We believe we met the objectives of our theme "Love, Laughter and Literacy".

At the conference, we recognized several dedicated Rotarians: PDG Irwin Stewart with the Rotary Foundation "Distinguished Service Award", PDG Chris Offer with the Rotary Foundation "Citation for Meritorious Service Award" and Rotarian Shafique Pirani with the Rotary International "Service Above Self Award". We recognized Rotarian Frances Kolotyluk and Rotaractor Stephanie Brodie with a "Paul Harris Fellow" for their work in the area of Literacy. Also, we acknowledged five Rotarians for their great contribution to the District. They were DGN (now DGE) Ron Neukomm, District Secretary Jacqui McTavish, District Newsletter Editor Gordon Dalglish, Past President of the Rotary World Help Network George Sandwith and Past Chair of Youth Exchange Neil McDonald.

Finally, Roxanne and I wish to thank all Rotarians in the District who welcomed us warmly to their communities. We appreciated the hard work of the Presidents and the Club Directors for their leadership at the club level. To the PDGs, ADGs and District Committees, we thank you for your support and tireless effort. ***We have enjoyed our year very much, thanks to all of you!***

Del and Roxanne

5040 ROTARY SPIRIT....

Our new Leaders for 2003 - 2004

To all Rotarians in District 5040

Dear Fellow Rotarians,

I am honored to extend a very warm welcome, and my best wishes to all of you.

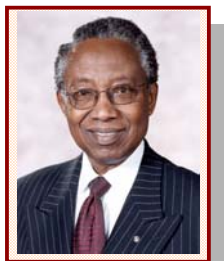

Together we are all part of the Family of Rotary, a unique group that encompasses not only our 1.2 million members but also their spouses and other family members who provide such critically important support to Rotary's service efforts.

2003-04 will be an exciting year for all of Rotary, the final year of our first century of humanitarian service. It will be a time when the intelligence, compassion, and abilities of all districts will be fully employed in advancing Rotary's mission throughout the world. I am asking Rotarians to actively seek out even more opportunities to Lend a Hand.

Although we come from more than 160 countries of the world and speak dozens of different languages, we share a common concern for each other's well being. Like most families, the Rotary family provides a haven where we can gather the strength and encouragement to face the challenges of the world.

When we Lend a Hand, we focus on this personal involvement and we celebrate our shared humanity. Working together, ready and willing to help our brothers and sisters in need, one hand can become many and there is no limit to what the helping hands of Rotary can accomplish.

Kind regards,
Jonathan B. Majiyagbe
President,
Rotary International

The "4 WAY TEST":

- First: Is it the **TRUTH**?
- Second: Is it **FAIR** to all concerned?
- Third: Will it build **GOOD WILL and BETTER FRIENDSHIP**?
- Fourth: Will it be **BENEFICIAL** to all concerned?

Jonathan B. Majiyagbe, Kano, Nigeria

President, Rotary International, 2003-2004
Chairman, African Regional PolioPlus Committee
2000-2002
Trustee, The Rotary Foundation, 1993-96
Director, Rotary International, 1988-90

Jonathan Majiyagbe, a senior advocate of Nigeria, is the principal counsel of the law firm J.B. Majiyagbe & Company, in Kano. A member of the Nigerian and English bars, Majiyagbe also belongs to the Honourable Body of Benchers, the panel that evaluates the qualifications of those seeking to practice law in Nigeria and formally calls them to the bar. He is a graduate of London University and a member of the Chartered Institute of Arbitrators, London.

Majiyagbe is chairman of the Kano State branch of the Nigerian Red Cross Society and was for many years chancellor of the Anglican Diocese of Kano. He is also a member of the Kano Chamber of Commerce, Industry, Mines, and Agriculture and is trustee of various international cultural organizations.

A Rotarian since 1967, Majiyagbe has served RI as district governor, International Assembly discussion leader, committee member and chairman, Foundation trustee, aide to the president, and director. He is past chairman of the African Regional PolioPlus Committee and the African Affairs Committee. Majiyagbe is currently a member of the Rotary Club of Kano. He and his late wife, Ade, are Major Donors to The Rotary Foundation.

As Chairman of the African Regional PolioPlus Committee and member of the International PolioPlus Committee, Mr. Majiyagbe is dedicated to the global effort to eradicate polio. Rotary's PolioPlus program, launched in 1985, is an aggressive public/private partnership to assist international health agencies and government to certify the world as polio-free by the year 2005, Rotary's centennial anniversary. By that year, Rotary will have committed nearly a half billion US dollars to the eradication effort. To date, more than two billion children have been immunized against the deadly poliovirus.

Toronto, Mary's birthplace, is a city which she enjoys visiting. Some of her fondest early memories are associated with summers spent at the family cottage on Lake Simcoe. She graduated from Lawrence Park Collegiate in North Toronto, attended the University of New Brunswick and graduated from the University of Western Ontario in London.

She met Sandy, who is a Chartered Accountant, in her final year at Western and they were married in 1966. All the Watsons, including their son, Kevin and daughter, Lauren are UWO graduates. Mary taught high school English and Accounting for 3 years before the birth of their children and following a 14 year maternity leave returned to the work force in the field of computer education. While her children were young, Mary was involved in their worlds as a Brown Owl with the Girl Guides, Boy Scout Advisory Board, Chair of the Home and School and on the Magee High School Music committee.

Mary joined the Burnaby Metrotown Club in 1989 as the first female Rotarian in District 5040. She served on their board as International Director, Vice-President and President in 1992-93 and was recognized by her club with a Paul Harris Fellowship in 1994. Mary moved to the Rotary Club of Vancouver Arbutus to be closer to her new workplace location and home in Vancouver.

Mary's interest in Rotary includes a 12 year involvement in Youth Exchange with her husband Sandy, serving as Youth Exchange Chair from 1997-2000. Other activities include work with the District conference (Registrar 1994, 1995 and 1997), serving as District Treasurer and being a workshop leader at PETS and RYLA. Mary was a Rotary Volunteer to the Philippines last summer. Sandy joined her and they had a wonderful experience working with a micro-credit project on the Island of Negros.

Mary's hobbies include travel, dragon boating, kayaking and reading.

SOW THE SEEDS OF MEMBERSHIP

- LEND A HAND TO OUR MEMBERS!

The final numbers for 2002-2003 are 225 in and 126 out. Not as good as last year but credible compared to the rest of the world.

If we are to be successful in doing all that we plan to do we need more dedicated members. It is up to you - you have to "ask" if you are to get a positive response. One of the phrases you will hear from me this year is: **"GET YOUR ASK IN GEAR"**. It isn't original - I first heard it two years ago from District 5020 (Vancouver Island and North West Washington).

Past RI President Cliff Dochterman (he will be at the Presidential Celebration on July 18/19) emphasizes our responsibility to share Rotary with our customers, neighbours, clients, relatives, business associates, professionals and other qualified persons. They will not come to Rotary unless we invite them.

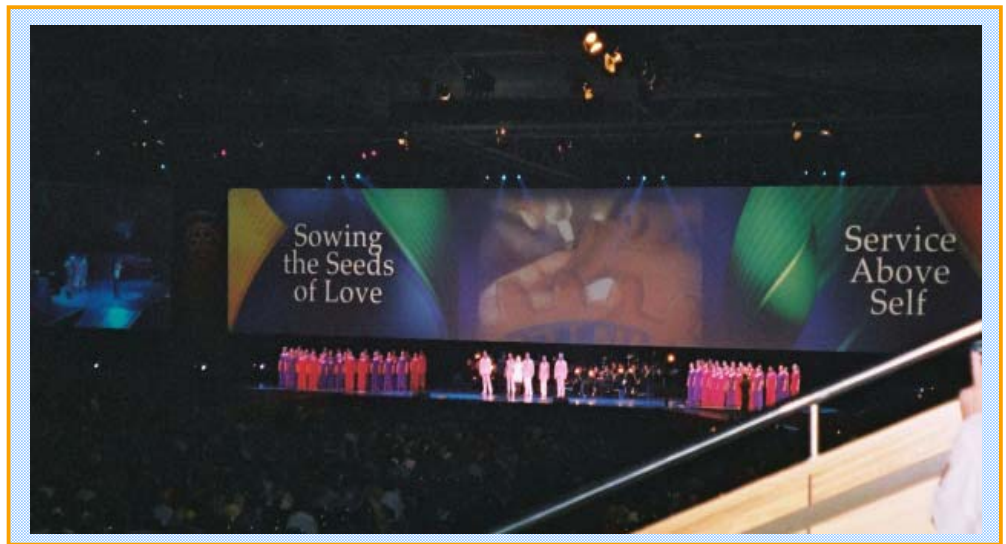

We have a great product that needs to be marketed. It has been said: "Rotary is the world's best kept secret". We should be proud to talk about Rotary with all we have contact with.

Wear your pin with pride. It will open many conversations with new Rotary friends or new Rotary prospects.

We are into a new year. Make sure you register your new members with RI and with me as soon as they have been inducted.

I look forward to working with all of you this year.

The 94th Rotary International Conference

From the initial vibration of traditional Aboriginal didgeridoos, to the closing Ceremony finale, Rotarians were treated to a magnificent conference in Brisbane, Australia, last month. Almost 16,000 Rotarians and guests packed the Brisbane Conference Centre and gave a standing ovation to the keynote address from **President Bhichai Rattakul**, that we had exceeded our goal for Polio Eradication.

The figure, which is still growing, was announced and included over \$7.5 million from Canada - one of the largest contributions from any country outside the US.

Good reason for **Del and Roxanne Paterson** - joined by **Assistant Governor Otto Rieve** - to be smiling as they attended the Northern Lights breakfast following the announcement. Our District exceeded its target of \$350,000 - bringing in well over \$400,000 in donations and pledges.

It's difficult to try and summarise all that went on during these few days, but there are some presentations that were highlights. We welcomed two new Rotary countries - East Timor (The Rotary Club of Timor Leste) and Afghanistan (The Rotary Club of Kabul). President Bhichai presented club president Karima Farani (Kabul) with their charter. In an emotional speech, President Karima asked Rotarians to "...help rebuild her broken country".

You can see all the details of the key speeches, and summaries of the daily events at:

5040 ROTARY SPIRIT....

Around the District....

Group Study Exchange, 2003

The **Brazil GSE Team** left Vancouver for Sao Paulo on 1st June. They were happy, looking forward to seeing their families and friends and sad, to be leaving many new friends and a once in a lifetime experience.

They were very appreciative and asked me to thank all who participated in their tour. Costa said: "I will never forget such a wonderful adventure and the kindness of so many Rotarians." Adriano: "words cannot express the way I feel". Lucio: "I learned more in one month here than a year in Australia". Vander: "I must come back with my family to your wonderful country". Claudia: "the experience was unbelievable". Valdenice: "learning and teaching English from books is okay but living the language in BC with Rotarians will make my teaching 100% better. From all, I'll paraphrase: "we thank Rotary's GSE program for this once in a lifetime opportunity, it truly increased our understanding of Canadian culture and we hope that we were able to share with you a little of ours."

I add my thanks for the kindness and courtesy extended to me and Bohdan as we visited your club meetings and were hosted in your homes. As a first time District Chair it was important to me to learn first hand the GSE experience. I have profited greatly from accompanying the team on its tour: I've learned the importance of careful planning before the team arrives and, I experienced the warm fellowship and friendship Rotarians extend to visitors. For this and many other kindnesses, I will be ever grateful.

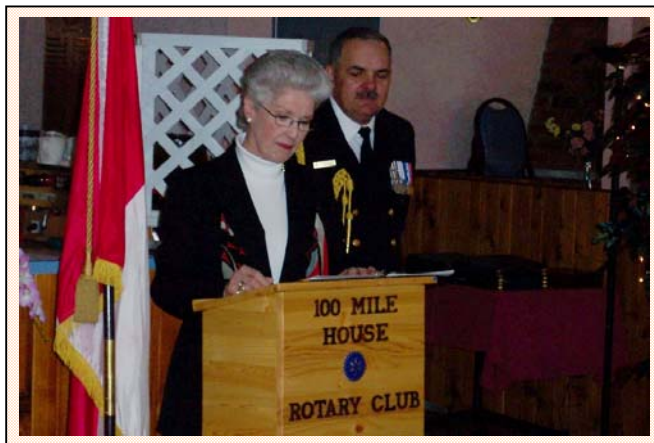

Many, many thanks for making this year's GSE a great success,

Esio Marzotto, Chair, District 5040 GSE

A visit with Richmond's Mayor Malcolm Brodie (centre) was just one of the many interesting events that District Rotarians arranged for our guests.

Special Guest at 100 Mile House

The **Rotary Club of 100 Mile House** hosted a very distinguished guest on May 15th. B.C.'s Lieutenant Governor, Iona Campagnolo, stopped in on her Chilcotin Tour and we had the honour to have here as our guest speaker.

After lunch, she took to the podium and talked about "magic" she has seen Rotarians create. "When you do the work for Rotary here you are saving for and working for our own children," she said.

She added that Rotary Club benevolence should be far-reaching, though, so that all children can benefit, "whether it's a child in Gambia, a child in Canim Lake or a child in 100 Mile."

If you have any spare dollars sitting in your accounts we desperately need some extra support to help us cover the cost of sponsoring some seats, bringing participants up from the Lower Mainland and to help us provide snacks and other extras. Or perhaps you could pass the hat around for us? Hey, we will even take private donations - any contribution, however small, would be greatly appreciated.

We would like to acknowledge the donations already made by such supportive Rotarians as: Mike Storey (Rotary Club of Ladner) and Chu Wu of Stirling Fence Co. Ltd (Rotary Club of Ladner) for privately sponsoring seats and transportation; The Rotary Clubs of Quesnel and Smithers for each donating extra towards our costs and lastly our sincere thanks to the Rotary Club of Prince George for their generous support over the past few years and for helping with a start-up advance of \$1000.00 for this, our first "stand alone" year.

We truly appreciate all that you do to make it possible for us to put our dollars to work for our participants. Thank you everyone!

Rotary Pediatric Cribs for Lions Gate Hospital Emergency

The four **Rotary Clubs of the North Shore** handed a cheque of \$10,000 to the Lions Gate Hospital Foundation this morning in West Vancouver. It was done jointly by the outgoing Presidents during a meeting of the West Vancouver Sunrise Rotary Club. Later on in the same meeting the new President of the club, Val Stephenson, was inducted.

The cribs in the Lions Gate emergency ward have been in use since the sixties, and have been at the top of the hospital priority list to be upgraded. The money will be used to support two modern, user-friendly cribs that are on their way from Ohio.

The outgoing President of the Rotary Club of West Vancouver Sunrise, Nico Human, mentioned that the cause of youth related needs on the North Shore is what the Rotarians wanted to support, and that the youngest and sickest members of our community definitely fit that category. All four Rotary Clubs of the North Shore contributed.

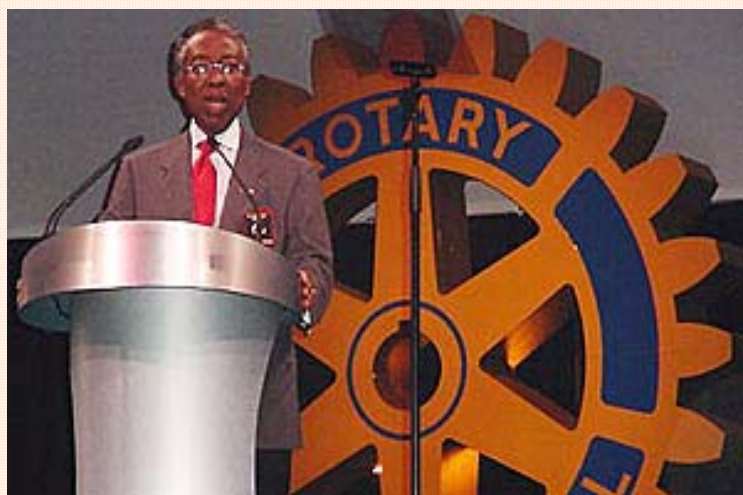

The executive director of the Lions Gate Hospital Foundation, Judy Savage, thanked the clubs for the generous donation. It will enable the staff to take even better care of our youngest North Shore residents.

Pictured (from left to right) are: Karin Petersen, Judy Savage (Lions Gate Hospital), and Presidents Nico Human, Doris Lewis and Riet Carter .
