*The Rotary Clubs of the North Shore, stretching all the way to Whistler, have a rich history - with two clubs (North Vancouver and West Vancouver) already past their half Century. Nestled under the peaks of the Coastal Mountains this BC "Group of Seven" is active in all the avenues of service as well as embracing our themes of Lending a Hand, alleviating poverty and extending the Rotary Family.*

Well known to all of us for our most recent District Conference, the Whistler Club is immersed in the Youth Exchange program. Who can blame our Youth Exchange Students for wanting to spend time there - many of whom have never even see snow before! Whistler is a natural playground for our youth - and will be hosting the YE Xmas party this year. Their Centennial Project is also well under way - a Scout Cabin, with much of the materials and Site Prep being donated by local Rotarians and contractors.

Down at sea level, West Vancouver Sunrise ("the little club that can") - certainly does! With projects ranging from Seniors' assistance to helping Youth at Risk...to say nothing of hosting it's very own Academy Awards Fundraiser, President Val Stephenson keeps this "little" club in the big league.

Further up the mountain, the Hollyburn Country Club sees the West Vancouver club and President Kevin Conway maintain a varied program - so much so that their remaining Charter Member from 50 years ago, PHF Rupe Harrison, has maintained perfect attendance for all of these years! Their Family of Rotary has included picnics, family meetings and a recent Parent/Child evening. Perishable foods are also collected twice weekly and taken to "The Open Door" in the downtown eastside. Rotaract and Interact - where they award a Student of the Month award - are both enthusiastically supported.

Across the Capilano (watch out for yellow rubber ducks as you go!), the North Vancouver Club - the first and oldest club on the North Shore - sees Randy Fowle heavily involved in the family and fellowship of Rotary. Monthly fellowship events have included attending a Celtic concert, baseball games, the BC Lions Alumni dinner and a RYLA-sponsored IMAX event. Internationally, they are very active with the World Help Network, GSE - one of their members, Neil McDonald is this years Team Leader to New Zealand, Youth Exchange as well as supporting an orphanage in Honduras.

North Vancouver Lion's Gate completes our tour of the North Shore, where President Philip McLeod reports yet another successful Wine Festival last month in Capilano Mall. Shortly, Operation Red Nose will take place in December, to assist people get home during the holiday season. Two Interact Clubs, and an incubator project in Indonesia keep his members busy at their Friday lunchtime meetings.

The North Shore has always been a community - and the clubs there operate together in a community spirit. Many of the events are run jointly, showing us all that the Family of North Shore Rotary is alive, well and ready to welcome new members as well as visiting Rotarians at any time.

**Sonia Wolowidnyk, Assistant Governor**

## 5040 ROTARY SPIRIT....

## Mary's Meanderings....

*Mary's meanderings will capture the adventures Sandy and I have this year as we meet the District 5040 Rotarians on our official District Governor visits and other Rotary sponsored events.*

**Our meanderings in October took us to many areas of our district. This included the Terrace/Kitimat/Smithers/ Prince Rupert area, the lower mainland, and the Prince George area. I now realize the wisdom of allowing club autonomy in Rotary and the strength it encourages as we celebrated Rotary and the diversity of the clubs.**

**October 1.** Wednesday we joined the **Terrace Skeena Valley club** for breakfast. I was pleased to learn that the club was teaming up with a club in New Zealand to fund a micro credit project in Guatemala. In the afternoon, Bill Parmer and I drove to Smithers to attend the dinner meeting of the **Smithers Rotary Club**. It was a lot of driving for Bill, as we needed to return to Terrace that evening to get to Prince Rupert the next morning.

**October 2.** We again enjoyed a beautiful trip following the Skeena River to Prince Rupert where we joined the Board of the **Prince Rupert Rotary Club** prior to their noon meeting. It was rewarding to honour a non-Rotarian, Marg Logan and her family, who had been host parents to 2 of the club's youth exchange students.

**October 3-6.** We used this time to further appreciate the north. Our friends from the east joined us in Prince Rupert and we chartered a fishing boat on Friday. Not only did we catch five 12-15 pound salmon, we also had some wonderful views of humpback whales breaching in the distance. We ended a perfect day by trapping crab and having a crab feast that evening, thanks to our guide.

The following morning we set out for Stewart/Hyder to view (hopefully) grizzly bears who come to the stream in Hyder to 'fish' for salmon. Our sunrise visit to the viewing area paid off as we saw a mother grizzly and her two cubs. It's interesting to hear the crunching sound of the fish bones in the still of the early dawn.

**October 7.** We joined the **Smithers Alpine Club** for breakfast. We were fascinated by their very interesting fine box - a giraffe. We joined the **Burns Lake Rotary Club** for lunch and Phil Ramage, our Assistant Governor for the area, joined us as well. It's a hands-on event as they meet at the Visitor Information Centre where they set up their own tables and bring in food from a local caterer.

**October 7.** Tuesday afternoon we proceeded to Fort St. James. In the evening we joined the members of the **Fort St. James Rotary Club** for a special Foundation dinner at the Whiskey Jack restaurant. Luly Thompson, a very deserving Rotarian, was presented with a Paul Harris Fellowship by her club.

**October 8.** We joined the Ft. St. James Club for their breakfast meeting at a local restaurant. The Club has speakers once per month with all members participating in the business of the Club at other meeting times. Following the meeting, we were given a special guided tour of Fort St. James. The restoration of the fort was excellent and most of the detail was truly authentic.

We proceeded to Vanderhoof for a noon meeting with the **Rotary Club of Vanderhoof**. After the meeting we had a tour of the RCMP detachment, including the lock up detention facilities courtesy of President Rick.

**October 9.** We headed south to Quesnel for a morning meeting with the Board of the **Rotary Club of Quesnel** and later their noon meeting. We were interested to learn that the club holds a fishing derby on the May long weekend for Rotarians and their families. We also have a better understanding of how radio stations operate thanks to the tour provided by President Tim Cawdell.

**October 15.** We joined the **West Vancouver Rotary Club** at the Hollyburn Club. We were struck by the creativity and financial success of their annual cultural event - a fiesta honouring different countries each year.

**October 16.** We joined the **West Vancouver Sunrise Rotary Club** for breakfast at their new location in the South Park Royal Mall at Rene's Restaurant. They were very occupied with organizing schedules for the upcoming Wine Festival for the 4 North Shore clubs which was to be held on October 18th.

**October 21.** We met with **Rotary Club of Ladner** President Denis and the board before their noon meeting. The Club was on the eve of its large TV auction in combination with the other Delta clubs. Their current thinking about a centennial project is to twin with a Club in New Zealand to do a project in a developing country.

**October 22.** I headed to the **Richmond Rotary Club** for lunch. The club is continuing to fund raise for their major project, the Richmond hospice. It was a delight to present Valerie Lewis with the dedicated Rotarian award.

**October 23.** Marg Dixon has her enthusiastic group of Rotarians (**Richmond Sunrise**) well under control. It was fun inducting 2 very capable women as Rotarians in their club.

**October 28.** It was a delight to present Rennie Johnson with the Dedicated Rotarian award at the **Williams Lake Daybreak** breakfast meeting. Having worked with Rennie and Gala over many years on Youth Exchange, I know he is very deserving of the certificate. I zoomed over to Prince George for the noon meeting of the **Prince George Club**. In the evening, thanks to the efforts of President Norm and AG Phil, we had a great dinner at the Waddling Duck and then enjoyed the Cougars game from the Deloitte and Touche box.

**October 29.** President Rod was very much in charge of the **PG Nechako club**. They are already preparing for their Operation Red Nose project which ramps up in early December. Phil drove us to Mackenzie where we met our hosts Harry and Lynn Smith. They treated us royally with gourmet meals and a steam room to rejuvenate our tired bodies. JD, the president, gave us a tour of his newly formed community radio station.

**October 30.** President Darren and the board of the **PG Yellowhead** club provided Sandy and me with a taste of Hallowe'en. Nicole presented me with my witch's costume at noon and I had all afternoon to dress for the occasion. It was definitely a "family of Rotary" event as we had many young children dressed in costume and experiencing fun and candy.

*Mary and Sandy*

**Hi Folks!**

**Here is a form letter that has been used by many clubs for recruiting new members. Make a list of prospects then send them the letter. Follow up with a phone call if you have not had a response. Invite them to a new member club meeting.**

**Make sure the program that day is on the reasons we are or should be a member of your Rotary Club.**

**Good Luck, Leo**

Dear "First Name",

Have you been searching for a way to have a positive impact on the future of our community and the world? The Rotary Club of ..... would like to have the opportunity to share our Rotary experience with you. Rotary is an international service organization that gives you the opportunity to be involved in community service and to have contacts all over the world.

The Rotary Club of ..... is seeking new members! We are a progressive and open club, made up of business, professional and civic minded men and women who want to have a positive influence, meet new people and network with others....at the same time having fun! We meet for lunch (breakfast, or dinner) each Friday (or other day) at the .....restaurant. Our meetings are lively, informative and we pride ourselves on our prompt start and finish times.

Being an active and involved member of our community, we invite you to attend an information session. This will give you the opportunity to see if Rotary is right for you. We wish to share with you some of the spirit and service that has made us committed Rotarians.

Rotary gives us many important things in our business and personal lives but, the two most important benefits are friendship and the opportunity to do service.

Our information session is scheduled for .....at the .....restaurant. We hope you will come and find out more about the world of Rotary. Please give us a call at the listed numbers for more information or to confirm your attendance.

We look forward to seeing you on .....!

Yours in Rotary Service,

**PDG Leo A.T. Nimsick**

# 5040 ROTARY SPIRIT

## *New Westminster, Burnaby and Mexican Rotary Clubs work together to Build Schools*

***In early October – a group of 12 New Westminster and Burnaby Rotarians and spouses travelled to Zihuatanejo-Ixtapa Mexico to learn more about the needs of the Netzahualcoyotl Indigenous School. Not only did they see how much work Rotary and others in the community had accomplished already but they identified many needs there and at other schools which require International Community assistance.***

It all dates back to about 5 years ago – when one of the BC Rotarians heard about the Netza School, and their dire needs as a growing and important part of the Indigenous community. 2 years ago – the Royal City Rotary Club in New Westminster learned that a dormitory was badly needed to provide housing for many elementary students who had to travel long distances to be able to attend the newly built and fast-growing school.

In July 2002 – the Royal City Rotary raised their first \$3000 for the project – when they entered a team into the Indy 2002 Bike Race in Vancouver BC. Their President, Ron O'Genski, wanted to see more happen – and hoped to turn this project into a Hands-on project to bring the needs "home" to New Westminster Rotarians. So the idea of a trip in Oct 2003 was born.

Two Vancouver area clubs participated in this trip – with most from the **Royal City New Westminster Rotary Club**, and a couple from the **Burnaby Rotary Club**. With the generosity of El Tamarindo Residence in Zihua – the group was able to stay together, meet with local clubs and visit the Netza school, as well as other schools with great needs.

The Canadians brought with them kits for each of the dormitory kids of the Netza school – with shampoos, towels, toothpaste, toys, crayons, books, soaps, and more. Unfortunately, the temporary dorm which had been in use in former years was no longer available, however it was expected that with community and the support of the **Zihuatanejo Rotary Club**, a temporary dorm would be up and running within weeks, and that plans for a permanent building to house 100 students could be realized over the coming year or so, depending on up-coming fund-raising efforts.

Also – the BC Rotarians brought with them a T-shirt for each of the 340 students of the Netza school as well as for the 15 or so staff members teaching at the school. Each shirt had the name of the school – as well as the Canadian/ Mexican flags, and the "Rotary wheel". These were presented to each student by the 12 Rotary representatives at a morning ceremony at the school, where the students sang "Cielito Lindo" in Nahuatl language – and the Rotarians responded by singing "O Canada" for the students.

The local Mexican Rotary Clubs (1 in Zihua and 2 in Ixtapa) were magnificent hosts for the visiting group of Canadians, inviting the 12 to participate in their local meetings, and in tours of Rotary projects accompanied by Rotary District Governor Rafa Mora from Cuernavaca, Morelos, Mexico.

It was during one of these tours that the group was shown a mountain top pre-school that had a student enrollment of 35 but nothing but a dirt floor and no furnishing whatsoever.

The group learned that recent Mexican legislation had made 3 years of pre-school education obligatory – but that the buildings and equipment to fulfill this challenge were not yet in place in all areas – especially in the poor areas of the state of Guerrero. So the Canadian group of twelve along with several members from the **Ixtapa Tercer Milenio Rotary Club** (3rd Millenium) took the volunteer teacher with them shopping.

The building that on the Friday of the first visit had nothing but slap board walls and no doors or security – by Monday morning had painted walls, tables and chairs, blackboard and chalk, books and crayons, cupboards to store supplies, a lockable door and secure windows, and lots of happy faces. The two Rotary groups – the Canadians and the Mexicans, both pledged their support determined that this was just the beginning as there is much yet to do, and could not wait to meet again to see the new Tercer Milenio Kinder on solid footing in the near future.

Although the 9 or 10 day trip for the BC Rotarians was very busy and sometimes wet and tiring in the final days of rainy season, it was also a time for social activities and friendships that none of them will forget as they met many new acquaintances amongst the local Rotary community. The BC group express their sincere thanks to both the Zihuatanejo Rotary Club and the Ixtapa Tercer Milenio Rotary Club for their wonderful hospitality and their giant efforts to make their communities better places to live – especially for the children.

Should any Rotary groups or others be interested in assisting with either of the aforementioned School projects (Netza Dormitory/Tercer Milenio Pre-school) which will be jointly administered by Canadian and Mexican Rotary Clubs under Matching Grant applications – further information can be received by emailing: [nico@telus.net](mailto:nico@telus.net)

***Nancy Nikolai, Past President of the Royal City Rotary Club – New Westminster.***

## 5040 ROTARY SPIRIT....

### *CRCID Monitoring & Evaluation - Call for Monitors 2004/2005*

CRCID is now requesting monitors for the 2004 / 2005 fiscal year to evaluate CRCID funded projects in District 3200 and District 3160 in India. [CRCID - Canadian Rotary Committee for International Development; part of the Matching Grant process- ed.]

We would greatly appreciate your assistance in informing the fellow Rotarians in your district of this opportunity. Those Rotarians who are interested, can complete the Monitor Interest Form(\*) or request the form from the CRCID Secretariat. The completed request must be received by the CRCID Secretariat no later than **December 31, 2003** to be considered for the 2004 / 2005 Monitoring Mission.

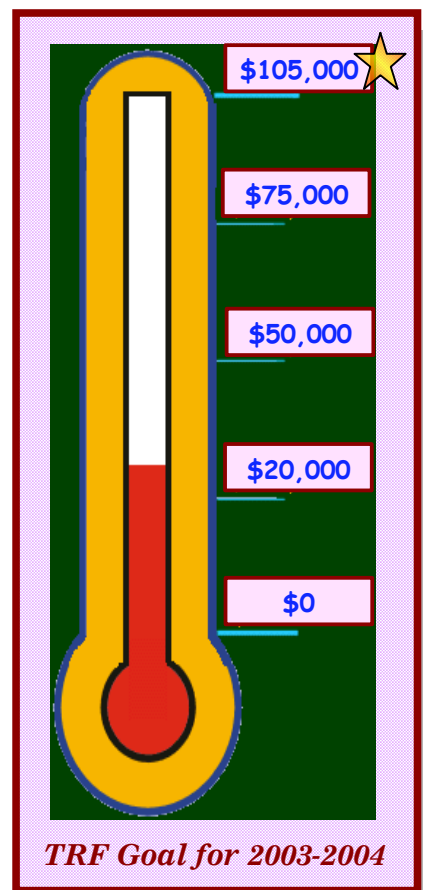

If a Rotarian is interested in being a CRCID monitor, but not necessarily for projects in India or in 2004 / 2005, they should still submit a completed Monitor Interest Form, indicating what are their preferred countries to monitor. CRCID will keep these Interest Forms on file for future monitoring missions.

CRCID is a uniquely Canadian Rotary funding agency that advances Canadian Government funds to World Community Service projects being implemented in the developing world with the assistance of Canadian Rotary Clubs and Districts. What is less known is that CRCID also monitors these projects after they are complete.

Each year CRCID despatches 2 or 3 monitors to evaluate 12 - 16 projects and submit a report on each project evaluated. All eligible expenses are reimbursed and a training and orientation workshop will be provided prior to the monitors travelling to India.

**Ralph Morgan,**  
**Chair,**  
**CRCID Monitoring & Evaluation Committee.**  
**1579 Hyde Park Road, London, Ontario. N6H 5L4**  
**Email: [rotary@crcid.org](mailto:rotary@crcid.org) or**  
**[rmorgan@sarcn.sk.ca](mailto:rmorgan@sarcn.sk.ca)**

(\*) The form is also available in Microsoft Word format from Ron Neukomm ([neukomm@mag-net.com](mailto:neukomm@mag-net.com)) or from your Editor ([gdaiglis@ca.ibm.com](mailto:gdaiglis@ca.ibm.com)).

**Our target for The Rotary Foundation for this year is \$105,000. To date we are just over \$20,000. Here's just a few of the many ways you can help the District reach the target:**

- attend the Foundation Dinner (see next page);
- invite a District TRF speaker to your club (see <http://rotary5040.org/speakers.html>);
- invite a Rotary Scholar to your meeting;
- encourage sustaining members;
- encourage benefactors;
- make a donation to TRF in the name of your guest speaker as a "thank you";
- keep your members updated on PolioPlus and other TRF achievements
- advertise these achievements at all your community events;
- investigate and engage in the matching Grants and District Simplified Grants programs.

## ***5040 ROTARY SPIRIT....***

## ***District Governor's Notes...***

### ***The Rotary Foundation (TRF)*** ***- Our own Charity***

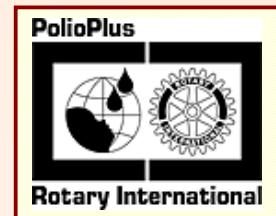

November is Foundation month in Rotary. The programs supported by our Foundation offer tremendous benefit in world peace and understanding. These programs are aimed at eliminating the causes of strife. Remedies include the provision of essential services such as education, clean water, and medical treatment to name a few as well as opportunities for cultural sensitivity.

About 3 years ago, Rotary International introduced a special World Peace Scholars program. Each year 70 young men and women, selected from around the world, take courses at any one of 7 major universities in conflict resolution, peace studies and international relations. The caliber of the participants is amazing. Our hope is that these graduates will make a difference by having a better understanding of the world issues and how to deal with them in a peaceful way.

Group Study Exchange (GSE), one of Foundation's cultural and educational programs, provides opportunities for young adults under the age of 40 to experience business in another country. This year Canadians from our district will be exchanging with D9940 in New Zealand.

TRF is able to do this good work through the generous support and commitment of Rotarians like you and me. Rotary International hopes that by 2005 every Rotarian will give \$100 every year.

Please make The Rotary Foundation one of your charities so that the educational and humanitarian works of Rotary can continue to go forward with the financial support they deserve. If you are already supporting Foundation, we wish to gratefully acknowledge your dedication and seek your further s

### **Presidential Reminders for November: *Foundation Month***

- ✓ Conduct related activities and programs on The Rotary Foundation.
- ✓ Encourage your members to attend the Foundation Dinner.
- ✓ Plan Christmas activities for your club.
- ✓ Monitor membership development goals and projects.
- ✓ Plan and conduct monthly board meeting.
- ✓ Send monthly membership and attendance report to the district secretary.
