

STRIKING GOLD

QUESNEL 2013

District 5040 Rotarians:

December 2012

Every year is a great year to be a Rotarian in District 5040, and 2012-13 is no different!

Actually, that sentence fails the 4 Way Test because what this year has that no other has before is the District Conference being held in Quesnel – the heart of the Cariboo and the heart of District 5040! And now you have a chance to be a part of the first ever District Conference in Quesnel...as a sponsor.

The early days of Rotary were about networking and business development, something that grew and blossomed into Service Above Self. Those goals run parallel to those of the “Striking Gold 2013” conference committee: to showcase what Quesnel has to offer, to encourage attendees to think of their visit to the Cariboo as the first of many, along with showcasing and celebrating the service, projects, and achievements of all the clubs throughout District 5040 during 2012-13. Who wouldn’t want to be a part of that?!

As you will see from the accompanying pages, we have a number of different Sponsorship Opportunities for your business, ranging from coffee breaks all the way up to the dinner events. And as you will see from the list of confirmed sponsors below, your business will be in excellent company!

We know you will want to participate with this event, please fill out the attached Response Form and return to:
Simon Turner, Rotary Conference Sponsorships
