DEAN'S DIGEST

Rhino and I would like to wish everyone in the Rotary Family of D5040 a blessed, happy and prosperous 2008. May this be the year that each of us give to Rotary the commitment and energy that will fulfill those ideals that made us join Rotary.

DEAN & RHINO ROHRS

Looking back on this first part of the "Rotary Shares" year I can see that for Rhino and myself - it was exactly that. We had Rotary shared with us in every way possible and hopefully, we were able to share our Rotary knowledge and passion with all of those we met.

This next half year will continue to be an exciting journey. Not only for Rhino and myself, but for all the Rotary Family in D5040. Here are just a few of the highlights in store for everyone:

- Jan 19 Regional Foundation Seminar
- Jan 26 Rotary Leadership Institute training - Parts 1 and 2
- Feb 16 District Leadership Seminar
- Feb 17 Assistant Governor training
- Mar 6-9 President Elects training
- Mar 17 RYLA South
- Mar/Apr/May The Area Assemblies in various parts of our District
- May 15 Rotary Leadership Institute training - Parts 1, 2 and 3
- May 15-18 District Conference in Richmond.

ROTARY ROCKS!

As always, I started this year off with making "New Years Resolutions". Some I will keep and some I will not.... And this got me thinking - have any of us made Rotary New Years Resolutions? If we had - would they look like this?

2008 - Rotary Resolutions

- I will attend all of my Clubs weekly Rotary meetings - and if I am not able to do so will do a make-up so as to maintain my 100% attendance.
- I will undertake training in Rotary so as to make me completely effective as a Rotarian in my club and my district. This will include attending:
 - * Regional Seminars
 - * District Seminars
 - * Rotary Leadership Institute training
 - * Club Firesides
- I will be fully involved in my clubs activities
- I will sponsor a new member to my club
- I will attend the District Conference
- I will have fun being a Rotarian and allow Rotary to make me a better person by putting 'Service Above Self'.

Hopefully I will be seeing all of you soon as I continue my travels around our amazing District.

MAKE SOMEONE ELSE A PAUL HARRIS FELLOW

A wonderful way to show appreciation to your friends, family, spouses, and colleagues, honor them with a Paul Harris Fellow by donating \$1,000 to the Foundation's Annual Programs Fund in their name.

At the Richmond joint Christmas dinner, PP **Chuck Albert** from Richmond Club named his longtime friend **Vivian Baar** as Paul Harris Fellow and PP **Magdalen Leung** from Richmond Sunset honored his son **Alexander Leung** with Paul Harris Fellow.

During the past 50 years, over a million people have contributed US\$1,000.00 or more to The Rotary Foundation, earning the designation of Paul Harris Fellow. This milestone represents a total of US\$1 billion that has been at work making a profound difference in peoples' lives around the world since the first Paul Harris Fellow was named in 1957. Every amount contributed to The Rotary Foundation is spent in support of humanitarian, educational, and cultural programs and their operations. Clubs and districts apply for and receive Foundation grants to carry out worthy projects worldwide.

PAUL HARRIS SOCIETY IN D5040 IS GROWING STRONG

Our district has now 60 Paul Harris Society members from the original 46 charter members a year ago. DGND Penny Offer of Vancouver Chinatown recently became the newest member. The purpose of the society is to encourage Rotarians to pledge a minimum of US\$1000.00 per year to The Rotary Foundation - Annual Program Fund. Fifty percent of the funds donated to the Annual Programs Fund come back to the district to fund District Simplified Grants, Matching Grants and other programs funded by District Designated Funds.

ROTARY FOUNDATION FROM 1928 INTO THE FUTURE

In 1917, RI President Arch C. Klumph proposed that an endowment be set up "for the purpose of doing good in the world." In 1928, when the endowment fund had grown to more than US\$5,000, it was re-named **The Rotary Foundation**, and it became a distinct entity within Rotary International.

In anticipation of the Foundation's 100-year anniversary in 2017, the Trustees set

out in 2005 to develop a 10-year vision with a 3 year plan to move the Foundation toward its second century of service.

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. The new motto is **Doing Good in the World**.

The Future Vision Plan Overview can be read in the RI website [Foundation Page](#)

Have questions on how the changes to the Foundation's grant structure will affect your club's humanitarian and education efforts? All answers won't be available until after the Trustee meeting in April and the June meeting of the RI Board. But you can find most of the answers on RI Website [Future Vision FAQ](#)

JANUARY MARKS ROTARY AWARENESS MONTH

What's Rotary?

Because January is Rotary Awareness Month, it's a great time to reflect on that famous question, "What is Rotary?" Rotary's strength lies in the more than 32,000 Rotary clubs in 200 countries and geographical areas of the world, and this is the time to make sure your community knows who you are and what you do. Consider these tips during Rotary Awareness Month:

- Share your club's Web site or blog link through an electronic news release about Rotary Awareness Month.
- Host a question and answer "press conference" session during one of your meetings in January, and invite local media.
- Coordinate a community service project with another local organization.

Purchase or download the RI Publications [This is Rotary](#), [What's Rotary?](#) or [Rotary Basics](#) and distribute them throughout your community.

- RI PR Tips

SPREAD THE WORK OF ROTARY IN OUR COMMUNITY

Rotarians are doing Good to the World, both locally and globally, but how do we promote Rotary's work in the best possible way and share our stories effectively with the public and the media?

RI provides many useful resources to help us run effective PR campaigns:

- Learn to [write an effective press release](#).
- Get tips on [working with the media](#).
- Learn how to use nontraditional and new media tools to [promote Rotary](#).
- Find tips on how to [measure the success](#) of your campaign to better prepare for future efforts.
- Link to resources, including videos, from Rotary's global public image campaign, [Humanity in Motion](#).

Some of our Rotary Clubs are often featured in the local newspapers about their community and international projects. If your club has an interesting story to tell, send the story and pictures to the local newsletter and keep a steady relationship going. Some recent media coverage were Rotary Club of Tsawwassen on the "Engines to El Salvador" project and Vancouver Chinatown on "Salvation Army Harbour Lights" Fund-raiser. See [Media Coverage](#) in District website. Send submissions to [Editor Becky](#).

HUMANITY IN MOTION IV COMING SOON

RI will be launching Rotary: Humanity in Motion IV public service announcements (PSAs) focusing on membership in January. The kit will be distributed to all district governors-elect at the 2008 International Assembly and mailed to every club. It includes new PSAs for television, radio, print, and outdoor (billboard), all designed to help you promote Rotary club membership. The PSAs and supplementary materials - poster, postcards, wallet card, and newspaper supplement - will provide an efficient and professional way to share Rotary with your community. In the meantime, all current Rotary PSAs can be downloaded in RI Website Public Relations under members, running a club.

Here is a chance to nominate that young committed person in your community to receive a two-year fully funded scholarship to a leading University to study peace and conflict resolution. This scholarship is no cost to your Rotary club.

Contact PDG David Ker at dker@telus.net or phone 604-261-4461 and visit [RI Website](#) for details.

Timeline

- Application to be submitted to PDG David Ker by March 31, 2008
- The District 5040 Selection Committee will meet in April 2008
- The scholar selected will be advised and his/her application sent to The Rotary Foundation in May 2008

Endowment of Rotary World Peace Fellows

Canadian Rotarians James and Linda Bradley seeking to create a more peaceful world, they have agreed to endow a Rotary World Peace Fellow every year in perpetuity. "We've been looking for something to make a difference," James said. "We see the peace centers program that Rotary has as the best chance of making a difference."

The Bradleys have recently been inducted into the Arch C. Klumph Society, which honors people who give at least US\$250,000 to The Rotary Foundation.

- More than \$1.5 million endows a Rotary World Peace Fellow as often as every year (for a two year program of study) in perpetuity.
- More than \$750,000 endows a Rotary World Peace Fellow as often as every two years for two years of study in perpetuity.
- More than \$500,000 endows a Rotary World Peace Fellow as often as every three years for two years of study in perpetuity.
- A one-time restricted annual gift of \$60,000 funds a single Rotary World Peace Fellow for the full two-year program. This outright contribution provides immediate funding for the Rotary Centers; 100 percent of the gift is spent on the program.

WITH YOUR HELP, WE CAN BUILD A LITTLE PEACE

Julia Smith is the new Peace Scholar nominated by Rotary Club of Squamish. Julia has been a volunteer in her community and in Kenya. She is a former Rotary Youth Exchange student from District 5040 to South Africa.

"No doubt you have heard the news about the post-election violence in Kenya. For me it is unimaginable that these events are taking place in the peaceful, joyful country I lived in for nearly two years. Let me assure you that the children at Emmanuel Center are safe. Though I'm grateful for their safety. I still felt depressed, useless and hopeless. I called up Daniel in Nairobi and we realized that, with the help of friends, we can build a little peace."

Of course we can hope this violence will end soon. But even after our media stops blaring headlines of bloodshed, the poor in Kenya will still be suffering the consequences of violence. Hundreds of thousands of families have lost their homes and all they own. For those with very little, losing a stall to sell vegetables out of

means no longer being able to send a child to school. A burnt shack means finding a street corner to beg with your children on, and even minor injuries can mean the loss of a livelihood. No doubt street children have already born much of the brunt of the recent violence.

So what can we do? Simple items can make the world of difference - repairs to a market stall will help a mother restart her business, simple furniture can help a family refurbish their home, and replacement school uniforms will ensure children don't lose out on education. Street chil-

dren can be comforted with medical treatment and meals. These are the simple tools of peace building we can help with.

Emmanuel Center is currently collecting donations to help children, and their families, who have been affected by the recent violence. If you are able to support these efforts please donate to Emmanuel Center, specifying that you would like to 'build a little peace.' You can donate online through CanadaHelps.org by clicking the link at [Emmanuel Centre](http://EmmanuelCentre.org) or by check made out to Afretech Aid Society and mailed to 7693 Garfield Dr. Delta, B.C. Canada V4C 4E6. We'll let you know in the next Emmanuel newsletter in March how the donations were used to help children, and their families, affected by the recent violence. If you have any questions, please feel free to contact me Julia.emmanuel@gmail.com

And please send prayers, positive thoughts and good karma to Kenya - that peace and democracy may be re-established."

ROTARY FELLOWSHIPS & ROTARIAN ACTION GROUPS

New Year's Resolution: Put more into Rotary - Get more out of Rotary.

Turning ideas into action is one of the things Rotarians do best. Now there are four more ways Rotary can help club members support the causes in which they believe.

This past year, the RI Board of Directors recognized four new Rotarian Action Groups, focusing on water and sanitation, microcredit, blood donation, and world health fairs. Rotarians can now choose from 14 Rotarian Action Groups, which allow those who are either experts in a certain field or just passionate about a particular cause to join with each other and cooperate with clubs and districts on projects that target a specific goal. [Learn more about Global Networking Groups.](#)

Already a member? Let's hear about your experiences and adventures with Rotary Fellowships and Rotarian Action Groups. Please submit articles for publication to: PDG Dave Kirk at dbkirk@telus.net District 5040 Fellowships Chair and Member, International Travel and Hosting Fellowship

ROTARY WORLD HELP NETWORK - TOGETHER WE SUCCEED

Members of the **Richmond Sunrise Rotary** participated in the recent Rotary World Help Network loading at the Air Canada warehouse in Richmond. The shipment of medical supplies and books went to Kenya. Club member Elena Agala is on the board of RWHN, and the club often helps to load shipment at the Riverview warehouse.

Established in 1997, the RWHN is operated by a board of directors made up of Rotarians from various member clubs in BC. Their mission is to help communities help themselves through a coordinated effort to relocate used equipment and supplies. What's surplus in our country is desperately needed to serve the healing and educational needs of developing countries. This effort is made possible through generous donations of materials, money, time and transportation. Visit their [website](#) to find out how your club can help.

BUILDING BRIDGE BETWEEN TWO CULTURES

After signing Friendship Club agreement on August 7, 2007, **Rotary Club of Chung Ho Full May** in Taiwan and **Rotary Club of Vancouver Centennial** made great progress and became Sister Clubs on December 15, 2007. It was a historic event for Vancouver Centennial as this is their first sister club. The same day, Chung Ho Full May Club also celebrated their 10th Anniversary.

All four Richmond Clubs celebrated Christmas with a joint dinner.

Vancouver Chinatown

Their annual Christmas lunch was an overwhelming success attended by over 250 Rotarians and friends. The Salvation Army singers from Harbour Lights supplied the Christmas sing a long. The generosity of those attending raised \$6232.50. It is estimated that the final total will reach more than \$10,000 when mailed in donations are received.

Vancouver Arbutus

During the joint annual Rotary Christmas Dinner, the club raised more than \$600 from the generous donation of Rotarian Linda Rodney - cooking and dining in her home. Picture shows all the winners.

Burnaby

Club Members and families enjoyed a great Christmas Buffet luncheon and fellowship. Major George Evans arranged for a contingent of the Salvation Army Band to entertain the group with Christmas music. Christmas giving at the luncheon was donated to the Salvation Army.

West Vancouver Sunrise

The club hosted their 18th annual Christmas luncheon for Seniors on Sat, Dec 8th. It was a big success with 85 house-bound seniors out for a bit of turkey and fun. Their Mayor and two MLAs joined the local Fire Department Chief and Police Sergeant made the annual holiday celebration a special occasion. Thanks to the volunteers from the Ambleside Youth House and Rockeridge Interact Club, also the Grade 4 and 5 youth choir of Mulgrave Elementary School.

Citizenship Program**

April 27-30, 2008

The annual Rotary Adventure in Citizenship Program is hosted by the Rotary Club of Ottawa. The 4 days event provides a unique opportunity for a selected group of young Canadians to come together in the National Capital, and gain a better understanding of our country. Through meetings with political leaders, senior officials and others, they learn a great deal about the workings of our democratic institutions. Through meeting one another and having discussions among themselves, they learn to appreciate the diversity of Canada and the privileges and responsibilities of citizenship.

Each student participant is selected and sponsored by a Canadian Rotary Club (\$525.00). There are still a few places left for the 2008 program. To sponsor a student and for more details, please visit their [website](#)

Adventures in Technology is hosted by the Rotary Club of Saskatoon Meewasin in collaboration with the Rotary and Rotaract Clubs of Saskatoon. RE: Professional Development Conference

On behalf of the Rotaract Club of Vancouver, I am pleased to invite you to our second annual Professional Development Conference on Friday, February 1, 2008. This event strives to educate participants about leadership through inspiring speakers with a variety of backgrounds and experiences. Our speakers have many experiences to share, drawing from their careers as well as their service work. Don Evans, a graduate of Harvard Business School, will be speaking about strategic planning. Dr. Sandra Harper, an educator and a writer, will be sharing her volunteer experience in rural Kenya.
