## DEAN'S DIGEST

DEAN & RHINA ROHRS

I can't believe that August is over and I have relaxed enough to enjoy my "Official" visits to the Clubs. It has had been an amazing adventure and passed in the blink of an eye. I suspect that this will be the nature of this year and that before I know it, my year as DG will be over. As the Youth Exchange Students always tell you – "this is the best year of my life", so for me – this will be year of such fun and adventures that I too will remember it as a banner year.

**My adventures** started when together with PDG Sonya Wolowidnyk and the Rotarians of the Rotary Club of Vancouver Cambie, I stood waiting at the airport for the arrival of **RI President Elect DK Lee, his wife Juang** and their aides, Mike and Mary Pinson . . . and it just kept building from there. **RI President Wilf Wilkinson** arrived that evening and I had the honor of spending 3 days with him while he was in Vancouver attending the **Presidential Membership Conference**. What an amazing time visiting the joint meeting of the **Rotary Club of New Westminster and Rotary Club of New Westminster Royal City**; the **Rotary Club of Vancouver Arbutus** meeting; a press conference with the **Rotary Club of Chinatown** as they announced their amazing Bike Ambulance project in Namibia; a visit with **PDG Charles Loh and his wife Carol**; more interviews and finally the Presidential Membership Conference and the associated meetings and dinners.

I have to catch my breath just thinking about this very busy time, yet President Wilf Wilkinson was always on time, always smiling, always willing to share. What an amazing President we have. . .

. . . .and what **amazing clubs** we have. The first club I visited was the Rotary Club of **Vancouver Quadra**. I cannot believe how nervous and concerned I was – and they put it all right for me! Thank you for listening intently, applauding vigorously and giving wise advice! Now that I am over the nerves, I am vastly improved and loving every minute of my visits. **Richmond Sunset, Steveston-Richmond, Whistler Millennium, Pemberton** and **Squamish**. It feels like I am sitting on a train and the stations flash by - a brief stop to meet the amazing Rotarians and see the stunning projects – and then the conductor blows the whistle, and I have to move on – hopefully to return in the near future.

This past weekend was spent in the hurricane energy of 26 magic young people and the facilitators of **RYLA North**. Despite dire weather predictions for Prince George – it did not rain and I learned to play FROLF (Disc golf) and a game called Electricity! Once again – all I can say – it was an amazing experience and I loved being involved. RYLA is a stunning program. Thank you to all the clubs that support this program – you are changing the lives of the youth you send.

This week I visit further clubs around Vancouver and next week am off to the **Sunshine Coast** to see how Rotary fares there and to enjoy their Annual “Hung hai”.

I hope you are all able to enjoy September, this last slow month of Summer/early Fall, and wave to me as I pass on this great Rotary road.

- Dean

Dear President Wilf:

On behalf of my father, **CHARLES LOH**, I write to sincerely thank you and Dean for taking time from your busy schedule to visit him today.

It meant a lot to him as he ponders the 50 plus years he has devoted his life to the Rotary.

Your expression of friendship and fellowship was a real booster for him as we hope for his recovery.

-Mason Loh

## ANYBODY WHO EXTOLS THE VIRTUES OF LIVING IN CENTRAL INTERIOR OF B.C. IS KNOWN AS A CARIBOOSTER

“ANYBODY WHO EXTOLS THE VIRTUES OF LIVING IN THE CENTRAL INTERIOR OF BRITISH COLUMBIA IS KNOWN AS A CARIBOOSTER – NO TRAFFIC JAMS, REASONABLE WEATHER (JUST ENOUGH RAIN TO KEEP THE GRASS GREEN) AND AFFORDABLE HOUSE PRICES”

- AG BOB FISH

. . . no traffic jams, reasonable weather (just enough rain to keep the grass green) and affordable house prices. **The 5 Rotary Clubs in the Cariboo** (2 in Quesnel, 2 in Williams Lake and 1 in 100 Mile House) can definitely be classified as Cariboosters. They all have contributed greatly to improving their communities. The Quesnel Club sponsored both the Williams Lake Club and the Quesnel Sunrise 2000 Club and the Williams Lake Club, in turn, sponsored the 100 Mile House Club and the Williams Lake Daybreak Club.

Some of the recent community improvements include the **Quesnel Club's indoor soccer fields**, the **Quesnel Sunrise Club's clock tower** in downtown Four Corners Square, the **Williams Lake Club's log picnic shelter** in a local park, the **Williams Lake Daybreak Club's management of the Stampede Parade** during the Canada Day weekend and the **100 Mile House Club's management of the old local arena** which they've transformed into an agriplex for horse shows and the Rotary Fall Fair.

**Proceeds from last year's auction went toward the stabilization of the foundation under the cenotaph honouring our war veterans, and for furniture for the visitor's room located on the renovated 3rd floor of G.R. Baker Hospital.**

The president of the **QUESNEL CLUB** is Brian Harrison, a bank manager. Their new officer installation was held at a Japanese style community hall which the Club helped construct several years ago. Yes, you have to remove your shoes when you enter. Their weekly lunch meetings take place at a Chinese restaurant in West Quesnel. The food is brought out on large platters and placed on the revolving tray in the center of each table – very convenient. Their big fund raiser is a **televised auction** which takes place in **November each year**.

**QUESNEL SUNRISE 2000'S CLUB** president is **Gordon Gairns** who is a claims adjuster. Their installation took place on a Saturday afternoon and included a golf tournament for members and spouses. They meet for breakfast in the basement of the Billy Barker Hotel and Casino in downtown Quesnel. The Casino is fortunately not open at that time of the morning and they can't actually see the sunrise from their meeting place. One of their members is a former mayor of Quesnel.

(Pic from City of Quesnel: L to R: Peace River South MLA Blair Lekstrom, Spirit of BC Committee Chair Coun. Mary Sjostrom, Mayor Nate Bello and Sunrise Rotary 2000 President Elect Kit Collins unveil the sign announcing the grant contribution to the **Four Corners Square** on Monday, Aug. 13.)

Both Quesnel Clubs have an interesting practice of **keeping their fines separate from their happy and sad dollars** which are donated periodically to a local charity. The two clubs jointly sponsor a Rotary Exchange student.

The **100 MILE HOUSE CLUB'S** president is Douglas Dent, a lawyer. They hold their lunch meetings at a German restaurant with a very civilized tradition of serving wine and/or beer prior the meal and another civilized tradition of serving your meal at your table. One of their members is a former mayor of 100 Mile House.

The **WILLIAMS LAKE CLUB** also held their installation at a local golf course but they were there only for the food. The installation, this year, was performed by the oldest member of the club who felt truly honoured in being selected. He installed Don Urquhart as President. Don owns and manages a local printing shop which is advertised in the District 5040 directory. The Club meets for a buffet lunch upstairs in a former Chinese restaurant which has a magnificent view of the lake.

Their **interesting tradition is to form a receiving line at the beginning of each meeting** so that, as the members and guests enter, they greet and shake hands with all the people present and then stand at the end of the line and greet people who have entered after them. Their **Rotary Exchange student** this year recently arrived from **Germany**. For their major fundraiser, they organize a large outdoor barbecue which serves breakfast and dinner for 3 days during the Canada Day

long weekend. The **"Stampede Steakout"** is located at the entrance to the rodeo grounds during the **"World Famous Williams Lake Stampede"**. One of their members is a former mayor of Williams Lake.

(L to R ) Club Pres. Don Urquhart, German Exchange student Matti Haake, Rtn Guenther Weckerle, and Mayor Scott Nelson cut the ribbon to dedicate the new picnic shelter at Boitanio Park

The club's **Picnic Shelter project** started

in 2005 is officially open, Mayor Scott Nelson stated that the Rotary Club's contribution to the community is very welcome. "You are an ambitious group who puts their hearts in the community," he said. "Your organization has been absolutely critical in projects in Williams Lake!" Read complete article at [www.rotary5040.org](http://www.rotary5040.org) - Media Mentions.

The **WILLIAMS LAKE DAYBREAK CLUB** held their installation outdoors at the house of one of the members. They put on a barbecue and organized an informal pot luck dinner. They meet for a buffet breakfast at a local restaurant on the ground floor of the Cariboo Friendship Centre which has an excellent view of the sunrise (if you can focus at 7:00 am in the morning). The president this year is Ingolf Sandberg who owns and manages a local office machine outlet. Their fundraisers include selling of pre-numbered **"Bronco Buttons"** during the aforementioned Stampede and organizing a Duck Drop in conjunction with the Williams Lake Club.

**Williams Lake Daybreak Rotary's 2<sup>nd</sup> Annual Williams Lake Stampede Parade**

The Daybreak Rotary Club of Williams Lake produced our WL Stampede Parade on Saturday, **June 30<sup>th</sup>** – and it was great! Our club organized this **83<sup>rd</sup> annual parade** (our 2<sup>nd</sup> parade as organizers) as a community service because our community really enjoys this parade and it has become an integral part of a very busy weekend for Williams Lake and surrounding areas. The July long weekend is a tremendous time to visit Williams Lake!

This year our parade had **over 150 registrants** entered in the parade itself – each with its own set of volunteers. We counted just **over 1,000 participants** in the parade itself. The parade route covers 2 Kms

through downtown Williams Lake and the sun was shining brightly. There were **over 11,000 people watching** the parade this year. The community really supports the parade with active participation either in the parade or by watching and cheering. The parade also takes a group of **100 volunteers** to organize, run, and oversee. This is truly a community event of a grand scale in terms of participation. We are quite proud of both the parade and Williams Lake – and **invite all Rotarians in the district to join us** sometime in the future to see it first hand!

The **District's Youth Exchange BC Tour group** was in town over the weekend and participated in the parade – they seemed to be having a great time as they rolled by this Rotarian!

There were at least 2 Daybreak Rotarians participating in the parade. **President Elect Ingolf Sandberg** was showcasing his amazing **musical talents** while marching with our own Williams Lake Community Band. Ingolf also showed great dexterity in avoiding the various "deposits" made by the equine entrants!

Speaking about those "unwanted equine deposits" our very own **Rotarian Christine Wagner was in charge of cleaning up those deposits!**

Christine had a great time following the last of the horses to go through the parade, dressed in a lovely French Maid costume with a large shovel in hand – happily scooping as she walked the route! Our "Daybreak Madame" Pooper

Scooper had a wonderful time performing this essential community service – which is how Rotary should be – **Service with Fun!!**

Organizing and overseeing this parade takes many, many hours of time and effort. It is all worth it though when you see the smiles, when you see the generations of our community getting together, and when you see our **community pride** come through. We are starting work on next year's parade already! - *Daybreak Rotarian, and 2007 Parade Marshall, Erik Zwiwers*

## ANNUAL DISTRICT 5040 FOUNDATION DINNER

### BE THERE...FRIDAY NOV. 23, 2007

#### FOUNDATION DINNER CHAIR:

**Don Kavanagh**  
604-929-8580 or  
don\_kavanagh@hotmail.com

#### TICKETS:

**Peter Beynon**  
604 434-5158 or  
peterbeynon@shaw.ca

#### DG Dean invites all Rotarians to come and support our Rotary Foundation

**Hellenic Centre** - 4500 Arbutus St. Van. Cash bar at 6pm and dinner at 7pm. Ticket **\$70/person**. Program includes Silent Auction, Raffle draw and DJ.

An important aspect of the Foundation Dinner is to raise funds through a **SILENT AUCTION**. We require your assistance to make the silent auction a financial success.

Each club is asked to provide **2 auction items worth \$100** or more. A good way to do this is for clubs to create theme baskets. Club members can bring items that are grouped together to create a basket worth more than \$100. Ideas for the

theme baskets include, but are not limited to:

- Chocolate lovers
- Gourmet picnic
- Bath/spa
- Wine and cheese
- Party time

Also, **gift certificates** are always good items for a silent auction.

**ALL DONATIONS ARE GRATEFULLY ACCEPTED**. If you give us cash, we can make up the baskets for you. Contact **PDG Mary Watson** for more information by phone at 604 952 7044 or via email at [marywatson7@gmail.com](mailto:marywatson7@gmail.com).

## "THE TIME IS PAST FOR TALKING ABOUT ROTARY MEMBERSHIP GROWTH, IT'S TIME TO BEGIN THE WORK"

PRESIDENTIAL  
MEMBERSHIP  
CONFERENCE  
Aug 10-11, 2007

Over 400 Rotarians packed the Conference hall in Richmond to listen to **RI President Wilf Wilkinson, RI Director Monty Audenert** and other speakers on varied topics, such as how different generations see Rotary, why diversity of membership is important, the need for change in Rotary's approach to membership and strategies to start new clubs. Conference Chair **Chris Offer** challenged the Rotarians attending to walk the talk and lead by example by **personally sponsoring a new member**.

In ending the conference President Wilkinson said, "**The way each club approaches membership needs to be the right way for that club.** There isn't going to be any one approach that works for everyone. "But over the course of this conference, you have gained the tools and the ideas which will help you and your club will decide what's the best way for you." You can **download the free Conference report** or order a spiral copy for \$10 including shipping and tax at [www.RotaryEvents.ca](http://www.RotaryEvents.ca).

### STEP UP THE CHALLENGE

RI President Wilf Wilkinson is encouraging all Rotarians to help strengthen Rotary's membership by bringing at least one new member into Rotary. He recognized his team with a new member sponsor pin and encourages clubs to adopt the same recognition incentive for their members. For Rotarians who sponsor more than one new member, additional recognition can be displayed with a numbered tab that attaches to the pin. Pins and tabs can be ordered from RI Official licensees.

## NEW WESTMINSTER ROYAL CITY VOTED #1 FOR 2007 OUTSTANDING CLUB OF THE YEAR AWARD

### GET READY FOR 2008

THE GUIDELINES FOR OUTSTANDING CLUB OF THE YEAR AWARD ARE IN THE 2007-2008 DISTRICT DIRECTORY ON PAGE 50.

CRITERIA AND FORM CAN BE DOWNLOADED IN DISTRICT WEBSITE. EACH ASSISTANT GOVERNOR SHOULD BE NOMINATING ONE CLUB IN THEIR AREA

The very first Number 1 Outstanding Club of the Year Award in District 5040 went to **New Westminster Royal City** for meeting and **exceeding the criteria set forth** and for the way they put together their presentation. The banner hangs proudly on the wall at their club weekly meetings.

This new award was instituted by PDG Kevin Conway last year and asked **Assistant Governors to nominate** 'The Most Outstanding Club' in their area.

To be the most Outstanding Club takes a lot of **hard work and effort** on the part of the entire club and also requires the Assistant Governors to take notice.

You can be sure that New Westminster Royal City will be striving to keep this honour and will be raising the bar of expectation for their members. Any club who wishes to compete and win this honour

next year has a lot of work and strong competition from the best of 2006-2007.

The **runner-up Quesnel** and **honorable mentions Vancouver Chinatown** and **Smithers** are to be congratulated for their great year and for being nominated by their Assistant Governors. Their submissions were also outstanding but New Westminster Royal City won the GOLD.

- PDG Sonia

## BENEFITS OF LIFETIME GIVING - THE WARREN BUFFETT EFFECT, MAKE YOUR INFLUENCE FELT TODAY!

### KAREN J. BIERMAN

DIRECTOR OF PLANNED AND MAJOR GIFTS, TRF

PH: 847-866-3100

SPEAK TO HER ABOUT THE MANY TRF DONATION OPPORTUNITIES AVAILABLE

Warren Buffett, America's most noted investor, decided to make his impact with charitable giving during his lifetime rather than through a charitable bequest.

The reason? *So he could actively participate in his philanthropy and help shape the programs important to him.*

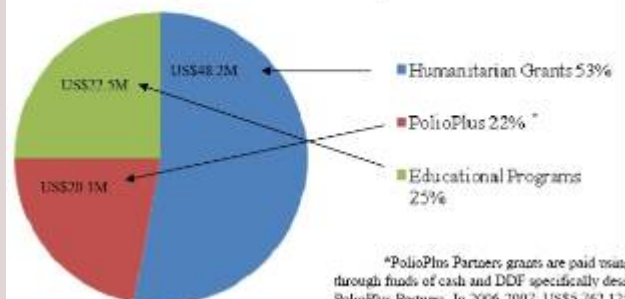

Many other donors have also discovered the benefits of lifetime philanthropy through planned gifts such as the charitable gift

annuity and gifts of appreciated property. Those plans allow you to make your influence felt today while, at the same time, you receive tax savings and other financial benefits.

Consider a planned gift to The Rotary Foundation (TRF) as part of your personal philanthropy. Explore the many ways you can partner with Our Rotary Foundation and *help shape the programs that are important to you.*

## ROTARY FRIENDSHIP EXCHANGE OPPORTUNITY WITH DISTRICT 7630 - APRIL 2008

### ROTARY FRIENDSHIP EXCHANGE CHAIR:

PDG Mary Watson  
phone: 604 952 7044  
email: marywatson7@gmail.com

The Rotary Friendship Exchange program gives Rotarians and their families the opportunity to experience other cultures firsthand, by participating in reciprocal visits with Rotarians from other countries and their families. Introduced in 1984, this program **aims to advance international understanding among Rotarians**. It provides Rotarians with the opportunity to form personal contacts and make long-lasting friendships while exploring different areas of the world.

District 5040 has been **invited to join in an exchange with District 7630**. This is an exciting opportunity for Rotarians who would like to visit the Atlantic coast with other Rotarians. We will limit the group to **12-15 people** and will plan for our trip in April of 2008. I am including the information on the district which was sent to me by Don Blouch, the Friendship Exchange

Chair of D7630.

"District 7630 is located in the **mid-Atlantic region of the United States**, near the east coast of the country and about midway north to south. Our district includes the state of Delaware and the Eastern Shore of Maryland (the part of Maryland east of a body of water known as the Chesapeake Bay). We are mostly farms and small towns, but within only a few hours drive of New York City, Baltimore, Maryland, and Washington D.C."

Please let me know if you are interested. It would be great fun to have the return trip of the D7630 Rotarians during the time of our District Conference in May.

The full version can be downloaded under Media Mention in [www.rotary5040.org](http://www.rotary5040.org)

- To provide stories to fit the press's mission statement.
- Take pictures that tell a story and are of publishable quality and write the story. Hand them a complete ready to publish error free package – picture, caption, headline, sub-head and press ready story.
- To write the story, have a hook, the head turning item to 'hook' the editor's and reader's attention, provide the answers who, what, why, when, where and how. Have all names and contact information relevant to the story and hand it over without restrictions (demand no credits).
- Don't push Rotary, rather push the key event benefit that is the subject of the story. Families sheltered, pain relieved, park made safe, education provided etc. Always make it personal - put an individual front and center – they are the window to the story. Rotary always comes in as a secondary mention.
- Finally, Club support is important. Officers, directors and members must cooperate and support the effort.

AT 604-524-2144

For the first time in two years - we are providing all members with the **Attendance and Membership figures** in the District Newsletter in order to place proper emphasis on the fact that the District numbers are ever declining - and that **each Rotarian needs to focus on Membership and Retention to bring about a positive change.** This is not just urgent but essential for Rotary's future.

Through the District Website - ClubRunner - each club can report their monthly changes in membership and attendance. This needs to be **done by the 5th of the month** following. In this newsletter, the July figures are printed. As you can see - some clubs are still not reporting and some reports are inaccurate.

As your District Secretary - I have been in touch with every club in 5040 to remind them to report on time and instruct them how to do so. **If your club's July figures are not correct, I urge the President, Secretary or Designated attendance keeper to update your club's info IMMEDIATELY** - so that we all know what **\*OUR\*** district figures actually are - and know whether we are in a positive or negative growth position.

**If any club does not know how to do this - please make one phone call to me - and I will walk you through it. It is not difficult.**

*Thanks for your cooperation,  
Nancy Nikolai, District Secretary*

### RI Literacy Resource Group

Rotarians are encouraged to celebrate International Literacy Day on Sep 8, 2007 in cooperation with the International Reading Association and support literacy projects during Literacy Month in March 2008.

Visit RI Literacy Resources at [www.rotary.org](http://www.rotary.org) for supporting materials or contact District Literacy Chair Leo Nimsick at [nimsick@telus.net](mailto:nimsick@telus.net)

September 8<sup>th</sup> is an occasion to give hope to the millions of women, men and children who cannot read or write even their own name. This day reminds us of the **importance of literacy for individuals, families, communities and whole societies.**

International Literacy day was started in 1965 by UNESCO United Nations Educational, Scientific and Cultural Organization. This year the theme is **"Literacy, key to good health and well-being"**.

The link between low literacy, poverty and poor health is common knowledge. By bringing literacy to adults and children, we are **bringing hope and a powerful change in their life and in their society for achieving social progress.**

Literacy **affects about 800 million people in our world** and some of those people are in our own community. **Many Rotary clubs have already participated in literacy projects** in the past, for those of you who have not, here are a **few ideas:**

- Do a local survey on literacy;
- Adopt a project at home or Internationally;
- Donate books, money or time;
- Volunteer to be readers, tutors or mentors;
- Work with refugee and immigrant population to assist with second language learning;
- Share your ideas with the district so we can all expand our knowledge of literacy projects.

- PDG Sonia

## JOINT ROTARY CLUB PROJECT TO PROVIDE WHEELCHAIRS TO VILLAGES IN SOUTH AFRICA

During their visit to South Africa last June, **DG Dean and Magdalen Leung** saw that there is a high demand of wheelchairs needed to provide handicapped villagers living in that region with mobility and freedom.

Upon their return, they started initiating a joint club project. As of to-date, Magdalen is very happy to report that a **total of 276 wheelchairs have been donated**, 50 from **Richmond Sunrise**, 53 from **Richmond Club**, 155 from **Richmond Sunset** and 20 from **Vancouver Sunrise**. One third of these wheelchairs are for children and rest for adults. Cost per wheelchair is CAD \$110.

The wheelchairs will be shipped in a container from the manufacturer directly to

South Africa and the expected arrival time is early September 2008. A total of 280 wheelchairs are required for a full container. For more information, please visit Wheelchair Foundation Canada at: [www.wheelchairfoundation.ca](http://www.wheelchairfoundation.ca).

"Rotarians are encouraged to go to South Africa as volunteers to help unloading and distributing the shipment to different villages.

We wish to take this opportunity to thank all the Rotarians, friends and families who have generously supported this initiative and congratulations to District 5040 for a successful Joint Club Project!"

– PP Magdalen Leung, Richmond Sunset.

## HOW FOUR WELLS CHANGE LIVES IN WEST KENYA WITH COMBINE EFFORT OF ROTARIANS AND MATCHING GRANT

Recognizing the need for wells to provide clean, safe water of rural communities in Kenya, **Rotary Club of Vancouver South** decided to make a difference. Each member of the club made a **personal donation** to assist the club's fundraising towards a Matching Grant to build **four wells** on rural school properties in Tumanini, Elufafwa, Ematsayi and Shivagala, outside Kakamega, Kenya.

When the **Rotary Club of Kakamega** heard about the Rotary International **Matching Grant wells project**, they were eager to support it. President Robertson Osangale and Secretary Mrs. Grace Kavenghan from the Kakamega Club worked hand-in-hand with Joseph Mutamba, Director of the LIFA (Literacy for All) schools, and Sandra Harper, from the Vancouver South Rotary Club, to **plan and supervise the digging of the wells**.

A well-digger, named Nixon, dug each well and lined the walls with cement rings and installed a sturdy, metal hand pump. Then each community had a commissioning to **celebrate the opening of their first public well**. The Chief and other community dignitaries, parents and students, and Rotarians gathered together to mark the opening of their well, giving access to clean, safe water.

Speeches, songs, dancing, an official cutting of the well's ribbon, pumping out the first stream of water and the **planting of 6 trees**

**to commemorate this very special occasion** took two hours. At each location, the **Kakamega Rotarians donated a water storage tank. The eyes of the children and adults sparkled as they burst into songs of thanks for the first well in their community.** The miracle of easily accessible water had finally reached their lives.

Many people in the world are only familiar with turning a tap and getting clean water instantly to use. But to see four rural communities in Kenya welcome their very first pump and its safe water into their lives confirms to all Rotarians that a pump and its water are basic needs for each community. Clean water is now provided for drinking and cooking. Disease, such as cholera and dysentery, will be reduced. Women and girls will be released from the hours of carrying water. More girls will be able to attend schools in the senior grades, thereby accessing their basic right of education.

**Life in these four communities has changed. All through the efforts and support of Rotarians and a Rotary Matching Grant to provide a simple pump, a well, and a water storage tank.** What a contribution Rotarians - living half a world apart, but working collaboratively together - have made in assisting the lives of other Kenyans.

– Sandra Harper, Vancouver South Rotary

## ROTARIANS HARD AT WORK

### LADNER - VANCOUVER CENTENNIAL - TSAWWASSEN

One Sat Aug 18, **Ladner Rotarians** spent a fine morning at the Rotary World Help Network warehouse, loading the container that the club has co-sponsored for Panama. The 40' container was filled with hospital and computer equipment and supplies with an estimated replacement value of over \$250,000.

**"This RWHN project initiative is one of the coolest things we can do as Rotarians.** Our discarded hospital and computer equipment and supplies are treasures in third world countries.

This is my second time at Riverview. **Thanks** go to **Larry Pretty** for organizing it on behalf of the club and **Barry and Melissa** for being there. **We Rotarians are making a difference.**

The last time, our club sponsored a container to the Philippines. The Consulate General from the Philippines was there to thank us and some of the members of the Philippino community were there to feed us lunch." – *Pres Chu Wu of Ladner*

SELLING BAKE GOODS AT  
THE TAIWAN FESTIVAL

On Aug 6, **Rotarians from Centennial Club** demonstrated exceptional sales skills at the Taiwan Festival in Bobolink Park. By 2pm, they sold out all bake goods and **raised \$400 towards their club project.** Special thanks go to Jeffrey Hwang who made this happen.

Over 30 organizations participated in the festival, there were music, songs, dancing and ethnic food.

A **Tsawwassen Rotarian work party** set to cleaning the pond behind the concession building of trash, brush and weeds.

The good humor of the members made the activity seem **more like fun than hard work.** "Whenever this group gets together there are many laughs. They even make fun while fishing debris from a pond", *said VP Gerry Beltgens.* "Grey skies and the muck doesn't dim their humor." "What can you expect when you put men, mud and a boat together?" *laughed Rotarian Gail McEwan.*

**"We appreciate the Rotary help"**, said Doug Petersen, GVRD Park Operations Supervisor. He directed the cutting of brush and provided the boat and trash bin while Rotarians contributed the work party and fun, followed by a BBQ party.

*(They even gained media coverage at the South Delta Leader. If you have a good story, send it to the press!!)*

## ROTARIANS HARD AT PLAY VANCOUVER CHINATOWN - RICHMOND - RICHMOND SUNSET

### VANCOUVER CHINATOWN

#### GOLF TOURNAMENT

ON Aug 17, **Vancouver Chinatown** held their Annual Golf Tournament, 23 golfers were teed off at about 4 pm. Another 13 Rotarians and guests joined them for the prime rib dinner. They had a ball. Thanks to member Lincoln Yeung who sponsored the \$10,000 hole in one prize at the 13th hole. Unfortunately no winner.

### RICHMOND AND RICHMOND SUNSET

#### HAWAIIAN SUMMER BBQ

On Aug 17, joined by **Richmond Sunset** Rotarians, **Richmond Club's "Hawaiian Summer Barbeque"** kicked off with a blast. It was changed into a Hawaiian-Mexican "HAMEX" style during the expected drizzle early evening. The food and drinks were in abundance. Everyone enjoyed a great night of fun and fellowship at Pres. Peter Raju and Usha's home.

## APPRECIATION FROM ROTARIANS . . . LUCKY WINNERS OF 2006 ROTARY FOUNDATION DINNER

### VIEW OF FISH JUMPING INTO THIS PEACEFUL LITTLE LAKE

Thanks to a very generous donation to the Foundation dinner in November 2006, we were the lucky winners of a two night stay at the **Alpine Meadows Resort** (just a hundred km north of Kamloops at the edge of Wells Gray Park).

**What a wonderful place** – a warm greeting by gracious hosts Debra and Tom Fennell set the tone and we were quickly settled in our one bedroom suite in a duplex chalet overlooking exquisite Hallamore Lake. Our balcony gave us a great view of fish jumping in this peaceful little lake and visions of a just caught dinner

danced through our heads. Quickly launching one of the electric boats provided by the resort we found the fish did not share our vision!! Never mind, a leisurely cruise, and the sight of a moose ambling along the edge of the lake, created a very enjoyable, relaxing morning.

Visit [www.alpinemeadowsresort.com](http://www.alpinemeadowsresort.com) for details and when you visit, **please remember the generous support of the Rotary Foundation.**

## D5040 ROTARIAN HONOURED BY PHILLIPINES PRESIDENT RECIPIENT OF AWARD OF ACHIEVEMENT

ELEANOR AGALA  
RICHMOND SUNRISE

Rotarian **Elena Agala**, Rotary Club of Richmond Sunrise, has just been announced as a recipient of an **Award of Achievement**, to be presented by **Her Excellency Gloria Arroyo, President of the Philippines**.

Elena was **nominated by an organisation known as Katiguban Samarenos Ha Leyte (KASALE)** - residents of Leyte who are from the Province of Samar, Philippines. The honour was awarded to recognise Elena **"...because of your exemplary achievement as a Civic Leader and Rotary Official in Canada... You are indeed a role model for our**

**youth in the Island of Samar who is worthy of emulation."** The presentation will be in Leyte on October 13th, when President Arroya will give the keynote speech to inaugurate the KASALE organisation.

Elena has been a Board member of the Rotary World Help Network - and personally involved with many shipments to the Philippines. She is also a founder member and Board Member of the "Sister Families" project in D5040. Sister Families ([www.sisterfamilies.ca](http://www.sisterfamilies.ca)) contracts with professional social workers in the Philippines to match abandoned or surren-

dered babies with families living in that country. Social workers conduct home studies, and manage the governmental licensing process. They also assist in the subsequent adoption process, and thus help create a new permanent home for the baby, as well as a new family for the Philippine parents.

Our **Congratulations to Elena** for all she has achieved through Rotary and for receiving this well-deserved honour from President Arroyo.

Assistant Governor

## BEQUEST EMAIL SCAM WARNING . . . D5040 ROTARIANS RECEIVED SUCH EMAILS

**Subject:** From Barrister Dezi Daniel  
**Address:** London, UK  
**Re:** Last and Final Notification of Bequest.

**Summary:** Advising recipients they are being made a beneficiary to the bequest of the estate of a late Rotarian Mark Andreoni, who was President of Rotary Club of Abingdon-England, with Club number 000003980, District 1180. This bequest is to support activities, humanitarian services and help to the less-privileged.

To enable them to conclude the legal duty, the Rotarian should forward personal information specified and the biodata page of their international passport or drivers licence as a proper identification.

**Unfortunately a recent e-mail scam, and some other forms of Internet fraud, have been targeting Rotarians. Rotarians to be vigilant about deleting any e-mail that appears suspicious.**

## BRITISH COLUMBIA YOUTH PARLIAMENT

### YOUTH SERVING YOUTH

**The British Columbia Youth Parliament's 79th Parliament** will be held in Victoria at the Legislative Chambers from **December 27 to 31, 2007**. The Youth Parliament is a province-wide non-partisan organization for young people ages 16 to 21. It **teaches citizenship skills through participation** in the parliamentary session in December and continuing involvement in community service activities throughout the year.

**Each group or organization may nominate two applicants.** Each applicant who is accepted to attend as a member of BCYP must pay **\$155** towards their registration fee, this

year due to generous donations the remainder of the \$280 fee is being covered for all members. Members will **sit and debate in the Legislative Chambers for five days** and will be accommodated for four nights at the Harbour Towers Hotel in Victoria. In addition, transportation to and from Victoria will be provided for all members who require it. Visit their website at <http://www.bcp.org/session/> to download application and for more details.

All applications must be received by **October 24, 2007**. Applicants will be notified whether they have been selected in early November.

### INTERACT STUDENTS PACK SMILES TO CHINA

The newly chartered **Interact Club of Tsawwassen is already on the news not just once, twice!!!** After learning Tsawwassen Rotarian Jill Moore with Alliance for Smiles will be travelling to China in September to provide reconstructive surgery and essential dental procedures, Interact Club President Johanna Johnson took action. "Young people taking international action is what Interact is all about." Says Johanna. Club members convinced students at Beach Grove, English Bluff and SDSS to **collect dental hygiene supplies for the medical team traveling to remote Harbin, China.** They offered a pizza lunch at each school for the class collecting the most. Due to their effort, **2,500 toothbrushes were collected.** The

Interact members are already well into planning another international action: a leadership development trip to Ecuador during Spring Break when they expect to be involved in building a school.

### WHY YOUR CLUB SHOULD SPONSOR YOUTH TO ATTEND RYLA?

**Adam Briglio:** ...We met people that were from all parts of the globe and others who were just from different parts of B.C. Meeting new people gave us a **fresh perspective** on the world we live in...

**Rachel Li and Stephanie McEwan** told their experience with pictures....

**Sean Bosa:** ...Adam and I learned that the camp wasn't just about learning **how to be a good leader** but to see that there are lots of different and interesting people out there. That we are not just restricted to the confines of our school and home, the experience of meeting new people was a **life lesson** in itself. Thank you for giving us the opportunity to attend RYLA...

### UBC ROTARACT ON THE MOVE

Four members of the UBC Rotaract Club went on a **fact finding mission to San Pedro Sula Honduras.** They visited schools, hospitals, orphanages and were hosted by Rotaractors. They presented their outcomes to their sponsor club the Rotary Club of Vancouver and they are planning to **host Rotaractors from Honduras** next summer, with the help of Rotary, as well as **fund raise** for a **World Help Network** container for the hospital.
