RICHMOND SUNSET

Early in December we visited the Winter Wonderland at the Richmond City Hall for the annual Christmas tree lighting ceremony with appetizers, aperitifs and carol singing, organized and hosted by the Rotary Club of Richmond Sunset. The competitively decorated Christmas trees, a fundraiser for The Rotary Foundation and other causes, were sponsored by community organizations and businesses, and lined the main foyer. In our view, the clear winner was the Rotary International Tree dressed in blue and silver. (Photo 1)

We joined other members of the Tsawwassen club to **celebrate a white Christmas** in the home of Garry and Colleen Shearer, a truly spectacular setting for a black and white glitz affair with enough food and drink for the whole of Tsawwassen. (Photo 2,3)

VOLUNTEERS ARE STARS

I was accorded the unique privilege of being the keynote speaker at the annual Richmond "Volunteers are Stars" awards dinner. 500 volunteers and sponsors gathered first over a celebratory drink to meet and toast the stars. There were more volunteers than seats available, a wonderful sign of the strong Richmond community spirit. The speeches and company were inspiring and the food plentiful and delicious. Though not everyone won an award, everyone left with a gift of a colourful travel blanket. (DG Kevin's speech at the award dinner can be viewed from the District website under District Leadership, DG's page).

SMITHERS & SMITHERS ALPINE

On December 15 DGE Dean and I traveled to Smithers to join the two Smither's clubs for a brief Rotary Foundation seminar, and then to celebrate a Rotary Foundation dinner which was well attended and hugely successful with enthusiasm and fundraising equally matched. (Photo 1: DGE Dean giving the Foundation Talk. Photo 2: DG Kevin presented Rotarian Randy Kroeker the Kelowna District Conference wine. Randy was the winner of the President Craig's "pin game". Craig constantly comes up with interesting things for the club.)

VANCOUVER CHINATOWN

Just before Christmas, the Rotary Club of Vancouver Chinatown celebrated their Christmas lunch with representatives from several Vancouver area Rotary clubs. Of course, where there are Rotarians gathered, there is also fundraising and during the lunch \$10,000 was raised for the Salvation Army Harbor Light project. Salvation Army alumni gathered on stage to sing carols and all were encouraged to join in, creating a raucous and fun atmosphere. (Photo 3)

TSAWWASSEN

The Tsawwassen Rotary club Thursday **breakfast meeting** gave up its weekly business to celebrate with a special **Christmas family gathering**. Santa arrived with packed sack on his back and was persuaded to sit in front of the Christmas tree long enough to have his portrait taken with a continuous stream of children and babies on his knee. (Photo 4)

JOIN THE CHRISTMAS SPIRIT

The Saturday before Christmas we joined fellow Rotarians and volunteers from other Delta community organizations to deliver 500 Christmas hampers to the needy. Trucks, SUVs and even some smaller vehicles with less capacity but huge heart, lined the road waiting their turn to load up and deliver. The huge warehouse stocked with boxes containing all the food requirements for a happy Christmas week, including whole turkeys, was emptied before noon, following which the volunteers were invited to join in a chilli lunch at the Canadian Legion to meet and greet and share experiences.

On **Christmas day**, because the whole world is a Rotary family, Jen and I spent the day with the **downtown east side** family, carving and **serving turkey dinners to the many hundred homeless and hungry**. This experience was the more rewarding because of the many enlightened teenagers who had given their time to volunteer. It is truly uplifting to note that the young care for those in need.

On **New Year's eve** we joined Joan Hansen from the Tsawwassen Rotary club and several other volunteers from the community in a fun evening **helping get party goers home safely via Operation Rednose**.

AND SO TO THE END OF 2006

It has been a wonderful year, and Jen and I applaud all the Rotarians and their families in District 5040 for your great work in furthering the object of Rotary. We thank you most sincerely for all your kindness shown to us, and we extend our best wishes to you for vibrant good health, and abundant prosperity in all your endeavors in 2007.

ROTARY AWARENESS IS THE "KEY" TO ...

Happy New Year from the 8 Prince George North Rotary Clubs, we hope that 2007 brings you and the Rotary family, health and happiness.

January is Rotary Awareness Month and this is a topic that is gaining more attention in recent years. The principles of Rotary and a "service above self" attitude lead to a group that is naturally humble and reluctant to blow their own horn. However, we now recognize that Rotary awareness is key to maintaining and growing membership and is also key to future support and sponsorship of the many projects in the world of Rotary. The Prince George North clubs each have a plan for awareness in their communities.— AG Harold Spensley

BURNS LAKE

FORT ST. JAMES

One of the advantages of being a smaller community is that your activities are often obvious and well publicized. In Burns Lake, this **very active group** of Rotarians makes sure that their community knows they are there with many local projects over the years. Even non-Rotarians in this northern town are aware of the international group of students who are treated annually to a tour of nearby picturesque, rugged and remote Tweedsmuir Park.

The smallest Rotary community of the 8 in Prince George North area, Fort St. James also benefits from the familiarity associated with a close-knit community. It would be hard to live in this small remote town and not know the dedicated group of individuals that have completed so many local projects. As you enter Fort St. James, a huge wooden sign that prominently displays the Rotary wheel in the centre welcomes you. As with many Rotary clubs, it is part of the Fort St. James awareness plan to ensure that the Rotary wheel and presence is front and centre in the community.

VANDERHOOF

MACKENZIE

As you enter Vanderhoof you will encounter the same huge sign and prominent Rotary wheel that you saw in Fort St. James. This is no surprise when you learn that these 2 communities have partnered on a number of projects including their annual successful radio auction. Also a small community and also benefiting from the small town local knowledge syndrome, Vanderhoof has a number of public parks and facilities that carry the Rotary name and wheel that make the community aware of Rotary's presence.

The fourth small community and the furthest north of the eight, Mackenzie has a similar recognition and community presence. It may be a result of having local media representation in the membership but Mackenzie can probably boast the **highest per member media coverage** of any Rotary club in the District. Everything they do seems to end up in the paper. Way to go gang!

PRINCE GEORGE, PG NECHAKO, PG NEW CALEDONIA & PG YELLOWHEAD

Prince George is a larger community and as such has to work harder to raise awareness. This means that the 4 clubs in P.G. have not been able to rely on work of mouth and local knowledge to get the word out. As a result, **the 4 clubs have undertaken a joint media approach annually**, producing either a special newspaper insert or a series of advertisements and testimonials of prominent Rotarian community members. In addition to the joint media campaigns, the 4 clubs also have collaborated on local community projects and these projects proudly carry Rotary signage. Such an example is the **Rotary Soccer Fields** (see picture next page) and the Gazebo currently under construction that will be a viewpoint for the city from the University of Northern BC Campus.

As we enter a new year, we all must challenge our humble nature and ensure that we take every opportunity to brag about the good deeds of Rotary. In the north we do good job of making our local communities aware of our local service but could do more to raise awareness of the global good works and impact that Rotary has on our planet.

Again from the Prince George North region and especially from the Assistant Governor, we wish you health, happiness and success in your Rotary awareness efforts in 2007.

Harold Spensley, Assistant Governor District 5040, Prince George, B.C.

PROUD TO BE A ROTARIAN?

Spread the words!

What is the best way to let others know about Rotary? How do you let others know that you are proud to be a Rotarian? •

Consider these Rotary PR Tips During January Rotary Awareness Month:

- Share your club or district's Web site link along with a simple news release about Rotary Awareness Month with your local media.
- Invite local media to one of your meetings or club events next month. Host a Question and Answer session.
- Invite a friend or co-worker to an upcoming meeting.
- · Write a letter to your paper's local editor about your

- club's local and international humanitarian efforts.
- Coordinate a community service project with another organization in your community.

Have your answer ready when being asked "What is Rotary?" You've been asked this question before, but did you have a good response? Even though there are over 32,000 Rotary clubs in the world, many people still don't know what Rotary stands for. Who better to share what Rotary is, than its 1.2 million members in almost 170 countries. Visit RI Website for Rotary's key messages at http://www.rotary.org/support/prtools/messages/general.html

We all want the same thing.

And the I.2 million members of Rotary around the world are making it happen.
Rotary's educational programs and scholarships are dedicated solely to promoting peace.
Together we can create a more peaceful world.

Rotary. Humanity in motion.

Watch for the Rotary Ads in Vancouver Sun. The district has received a grant from RI to run a series of ads started January 4th. The ads will be similar to the one shown here, with different photo each time. The district web address also appear on the ad to direct readers to check us out. An article targeted for non-Rotarians has been posted by PDG Chris Offer at the District website homepage at www.rotary5040.org. Consider adding a similar message at your club website for visitors.

Have your valid passport ready when travelling to and from CANADA and the US. Proposed implementation: Beginning Jan 23, 2007, all persons will be required to present a valid passport travelling by air. As early as Jan 1, 2008 will include travelling by land or sea Visit US <u>Government website</u> for details.

"FOUNDATION OF HOPE"

Are you a part of it?

"Foundation of Hope" is the title of Chapter 10 of the David Forward's definitive history of Rotary, *

**A Century of Service.* The question I pose to you is "Are you a part of it? !"

In 1917, Past Rotary International President Arch Klumph stated ". . . it seems eminently proper that we should accept endowments for the purpose of doing good in the world." That was the spark that ignited the amazing, life changing Rotary International Foundation engine that would start its inspiring and challenging journey of improving the lives of millions of people in every country in our fast changing world! This journey has been interrupted by two world wars, many smaller wars, civil wars and economic depressions. Yet, Rotarians have continued to Build Bridges with community, governmental, and business groups to magnify their Power of One as we share the Magic of Rotary. - By DG Frank T. Sargent, MD, D5450 (article appeared on Foundation Newsletter)

2008-2010 ROTARY WORLD PEACE SCHOLAR

Would your Rotary Club like to nominate someone at no cost to your club? Here's your chance!

Nomination

Start looking . . . for that young committed person in your community who should receive a two-year fully funded scholarship to a leading University to study peace and conflict resolution.

For nomination information, please contact PDG Dave Ker at dker@telus.net or phone 604-261-8561 and read information from RI Website.

Timeline

The scholar selected will be advised and his/her application sent to The Rotary Foundation in May 2007.

WAR CANNOT GO ON FOREVER

"War cannot go on forever. Peace must and shall come. The years ahead reserve for Rotary a most difficult and arduous task. To heal the wounds of a war-ravished world; to substitute for hate, mutual understanding and tolerance; to create affection where rancour exists; to change enemies into friends and replace excited passion and armed struggle by goodwill and international peace." Paul P Harris - The Rotarian 1942

On the eleventh hour of the eleventh month in 1918 the armistice was declared ending the Great War or, as it was known then, "The war to end all wars". Sadly that was not the case and still, nearly 90 years on, our world still sees warfare and conflict.

Rotary's weapons against warfare are all contained within The Rotary Foundation: - Peace Scholarships; Local and International Service Projects; Educational and Cultural Exchanges.- Calum Thomson, Rotary Global History Fellowship Chairman

Chair Eddie Blender and Vice-Chair John Germ have asked Rotary leaders to help by compiling a list of those they know who could, if asked, give \$500,000 and higher to our Permanent Fund to endow World Peace Fellows for The Rotary Foundation's Rotary Centers for International Studies in Peace and Conflict Resolution and to share those names with Eddie and John.

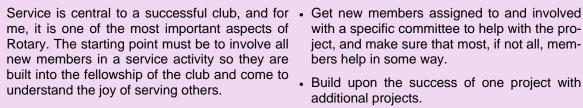

HOW TO GET MORE MEMBERS INVOLVED?

Ask RI President Bill Boyd

Answer from RI Pres Boyd on Interactives Vol 1 Issue 3

Individual committees may target a specific . Recognize the interests and skills of club Avenue of Service, but this focus may not motivate nonparticipating members to join in. Here are some ways to get everyone to take part in a project:

- Focus your efforts on a local service project that can unite all members of the club as they work to achieve a common goal.
- · Assign each committee to tasks related to the project, including needs assessment, promotion, fundraising, implementation, and evaluation, to ensure that the project engages the whole club.

- with a specific committee to help with the project, and make sure that most, if not all, members help in some way.
- · Build upon the success of one project with additional projects.
- members when you develop projects so getting them involved will be easier in the future.

Many clubs now participate in ongoing service projects that can motivate club members for years to come. Read about project resources and ideas in Interactive's Toolkit.

Rotary members started passing out American Education Publishing dictionaries to all public and private schools as well as home-schooled students at the start of the month, said Rotary president Mary Kowalczyk. The distribution continued last week.

"We ordered 102 dictionaries and we should have a few leftover," she said.

The Rotary worked through The Dictionary Project, a national organization with a goal of helping students be good writers, active readers and creative thinkers by providing them with their own dictionaries.

The Dictionary Project recommends that third-grade students receive the dictionaries, Kowalczyk said.

The mission of The International Fellowship of Rotarian Musicians is: to promote Rotary fellowship by encouraging clubs to sing, to organize musical activities for performance

at all levels of Rotary functions, and to support community musical organization and school music programs.

Since 1972 the officers and members of this fellowship have taken a leading role in inspiring the cultural and educational use of music in Rotary, including group singing, musical entertainment, and the fostering of music projects.

IFRM serves as a link between special needs requests and organizations and individuals who could respond to such needs. The Music Fellowship acts as a clearinghouse in receiving requests ranging from scholarships for talented musicians to providing instruments for schools and music for libraries. Finding resources and organizations that can respond to these requests is one of the goals of IFRM.

As an IFRM member, you and your club can help this Fellowship match your resources with their project needs.

Going to the RI Convention in Salt Lake City, Utah,

VANCOUVER CENTENNIAL CELEBRATING...

December Family Month

Can you believe it, our newly chartered club is already into their 2nd year. PDG Sonia who chartered the club a year ago joined this special Anniversary celebration along with members and their families. It was a night full of exciting events that included "Trivial Rotary" and special gift exchange among the members. The club also raised over \$700 from Happy dollars, auction of gifts donated by members and 50/50 draw. Club Pres. Wells Hsu was presented with the Paul Harris Fellowship from PDG Del Paterson and Rotarian PK Chan was officially inducted into the club.

To celebrate Family month, the club also Invited club members and their family to an afternoon of hands-on "Arts". hosted by Rotary Family committee Chair - David and wife Rosa. Everyone had fun painting mugs and plates.
