

We are excited that, as a Rotarian, you are interested in supporting the YAIL Program in District 5050!

YAIL has helped to build youth leaders since it began in 2009. We have seen youth gain knowledge, tools, and support through YAIL and Rotary. Some YAIL alum have started or joined Interact clubs and Rotaract clubs. Others have gone through the YES program, Youth Exchange, and RYLA. We have seen youth come back as facilitators, committee members, and even Co-Chair within the program; continuing to take on challenges through leadership. Thank you for contributing to positive outcomes in youth lives, by supporting YAIL.
