

Share Your Club News with District 5050 in the Peace Arch Journal

Your club's service projects, scholarship awards, events and social activities that are open to the public make interesting reading for your fellow Rotarians. You can use the template below to craft your story.

The mission of the monthly **Peace Arch Journal** is to promote communication, understanding, fellowship and fun beyond club meetings, in a manner complementary to shared efforts at placing Service Above Self. This newsletter is emailed to all club members in the District. A link to each issue is also posted on the District Website: <https://rotarydistrict5050.org>

Please send articles and news, with or without photos (*send as JPEG format attachments for best results*). Brief articles and photographs with captions are welcome!

The deadline for Peach Arch Journal, which is published on the first day of each month, is the 23rd of the previous month.
