

## Global Grants District Designated Funds (DDF)

**Global Grant** applications are accepted throughout the year and are reviewed as they are received. They are used to support large international projects with long-term, sustainable outcomes in one or more of Rotary's seven areas of focus. Grant awards range from \$30,000 to \$400,000 USD.

The result of the open all year around process creates a rolling number of grants that are in draft, submitted, approved, or paid status.

The following are examples of the benefits of applying for a Rotary Foundation Global Grant
