Message from the District Governor

Greetings Fellow Rotarians:

This is the last, final, conclusive, decisive, definitive, unequalled, fundamental, determinative, under no circumstances will I send another message to you in the Peace Arch Journal. Well, if you had been to the District Conference on Saturday night, you would understand what I am talking about.

Linda and I just returned from the Tulalip Hotel and Conference Center. What a fabulous place to stay! And better yet, we were able to visit with hundreds of Rotarians from all over the District.

We were educated by a plethora of programs. We listened to Apporva Mallya from the Bill and Melinda Gates Foundation talk about the partnership between them and us, and the current status of polio in the world. We listened to the GSE Teams talk about their countries and vocations. We saw what a difference we can make in villages in Guatemala. We know how the Rotary Foundation changes the lives of so many people.

We were so fortunate to have as our President's Representative, Ron and Jetta Burton. Ron is also a Trustee of The Rotary Foundation and was able to answer questions regarding the Foundation.

We were also entertained by Pat Cashman and danced to great music by Dysfunktion, a band that really knows its stuff.

Linda and I had a great time! It will be remembered for a long time. And I'm not just talking about the District Conference. We are so proud to be a member of District 5050. You have made us feel so welcomed.

Thank you for all of your hard work. Remember, "THE FUTURE OF ROTARY IS IN YOUR HANDS."

Your Governor,
Larry

Editor's comments:

As I prepare to put together another edition of *The Peace Arch Journal*, I want to express my gratitude for being presented with a Paul Harris Fellowship by District Governor Larry Jubie during this year's District 5050 Conference at the Tulalip Casino Resort. This is not my last edition. At District Governor Elect Wayne Wiebe's request, I will be the editor for the 2010-2011 Rotary Year.

Rotary District 5050 is recruiting for a new PAJ Editor beginning with July, 2011.

On April 15, 2010, District Governor Nominee Jane Helten posted a notice on the home page of the District 5050 web site: **Interviews for District Positions.**

If you are looking to volunteer at the district level and have experience with computers, writing, editing, cameras, etc, these two positions are available to be filled before July 1, 2010.

Website Administrator: District 5050 Website.

Newsletter Editor: The Peace Arch Journal

Training is needed in both positions. The best way to do this is shadow Bob Knight (PAJ), who is continuing as the editor through the 2010-11 Rotary year, and train under Bill Murray (web master) starting July 1, 2010, of this year.

If you are interested in an interview, please contact DGN Jane Helten at her email address: janehelten@gmail.com, or by telephone at 360-631-0752.

Editor's Note: The following report is based on a copy that Ron gave me and authorized it to be used for the benefit of Rotary.

Rotary International President John Kenny Representative A Trustee of The Rotary Foundation Ron Burton

Past District Governor (D5750) Mary Kalbert provided his introduction. In the concluding portion of Trustee and Past District Governor Ron's presentation he noted that "President John told us that we must look beyond our own home and community—that we must be aware that ours is only one community, of one country, of the many communities and countries in this world. He told us that there is work to be done in every one of those communities. As Rotarians, we will not stand idly by. As Rotarians, we will accept our responsibility. We can, and we must. For we know that Rotary is only as great as its clubs – and our clubs are only as great as the members within them."

But Ron began his presentation by referring to a poem titled: **What Does the Rotary Club Do?**

Someone asked that question once, and I stood there feeling like a dunce!
 What do our Rotarians do? I hemmed and hawed a time or two,
 Then said, "We gather for a meal, and ask each other how we feel.
 Get our food and have some fun, chattering till the meal is done.
 We get club business out of the way, and have the program for the day.
 Some are good . . . and some are great! And . . . some run on 'til fairly late.'
 But then my friend, he turned to go, "That wasn't" he said, "what I want to know."

I've thought a lot about this since . . . what could I possibly say to convince
 My friend that Rotary does more than meet.. greet . . . take a seat . . . then eat?
 Well, this is how I would make amends, by explaining Rotary to my friends.
 Two billion children are healthy today, in land both near and far away
 Who otherwise might be lame . . . or dead... from polio . . . that childhood dread!
 And hungry children are being fed, through better ways to grow their bread.
 Rotarians in many lands are teaching,
 And doctors of all kinds are reaching out to heal the sick and lame
 With little thought for wealth or fame,
 And men and women are meeting the need, to teach little children how to read.

A hundred things there are to say, About what Rotarians do each day.
 In every land and every town, To lift someone when they are down
 And help each other along the way, "Service Above Self" – what more can I say?

Well, if my friend should ask again, I'll have an answer for him then!

He pointed out that when we truly understand the power that each one of us has through Rotary, we must also understand that with this kind of potential comes tremendous responsibility. In each of our clubs, every year, we Rotarians decide how to use the resources that we have: our time, our skills, and our funds. These decisions are not always easy or obvious. They are not simple questions or right or wrong. They are complicated questions of who needs our help the most and whom we can help the best. We want to use our resources efficiently, to maximize the good that we can do. Often, we are drawn toward needs that our hearts will not allow us to ignore. We aim always to strike a balance, to find the projects that will give the maximum benefit for our Rotary investment. We know that if we make our decisions well – if we do our research and understand the needs and are wise and careful with our resources – we will do the most good with everything that we have. That is our responsibility – to do the most we can and to inspire other Rotarians to do the same. In the end, the responsibility for successful service projects lies with each individual club.

In 1941, Paul Harris said, "The Rotary formula is simple. We unite in one common purpose, that of making this world a better place...in a worldwide fellowship of business and professional men and women who occupy positions of leadership and influence in the communities and in the countries in which they live."

So, what Rotary is and what Rotary does is really up to you. Because, *The Future of Rotary Is in Your Hands!*

- **Rotary International's Financial Picture Improving:** A May 20, 2010, report stated that while the financial markets remain volatile, for the first nine months of this fiscal year, RI's investments earned US\$17.0 million, which more than recovered 2009 losses of \$12.1 million. With investment returns of \$92million, the Foundation recouped more than half of its 2009 losses. Operating expenses across the organization are well controlled and remain below budget.
- **The Rotary Foundation Trustees Restore Matching Grant World Fund Budget:** A May 18, 2010, report stated that the Trustees approved a Matching Grants World Fund Budget of US\$21.5 million for 2010-11. Two Rotarians Named Citizen of the Year

On Saturday, April 24, 2010, the Maple Ridge (B.C.) Community Foundation sponsored a celebration to recognize two Citizens of the Year. In an article written by Phil Melnychuk and published by the Maple Ridge News, it was noted that because both were so good, they both had to be considered. The Foundation broke with tradition and selected two Citizens of the Year: Ineke Boekhorst, member of the Rotary Club of Meadowridge, and Mike Murray, member of the Rotary Club of Haney.

Ineke Boekhorst is the Executive Director of Downtown Maple Ridge Business Improvement. It meant a lot for Boekhorst.

To get an award from your peers, “is the most sincere and prestigious form of recognition,” she said. Boekhorst moved from Holland to Canada with husband and children in 1979 and never looked back. She has been a member of Meadowridge Rotary club since 1990.

Nominating committee chair Bob Shantz said “many people give their time to several projects and or help out intensively on a smaller number. But there are few like Boekhorst, who take on big roles over long periods of time.” Some of those projects and committee included the annual wine festival, the Caribbean Festival, Festival of Light, Maple Ridge Christmas Festival and Santa Parade, the Canada Day celebration committee, a board member of the Heritage Day Festival, the B.C. Disability Games, the 1986 B.C. Summer Games, and the 2010 Olympic Torch Relay

in Maple Ridge.

Mike Murray is the General Manager of the District of Maple Ridge Parks and Recreation and is a past president of the Haney club. He started with the district in 1977 as the recreation superintendent and retires in June as general manager. He said “It’s a significant time frame. This definitely is my home. I think this is very much an acknowledgement of volunteerism.”

Murray helped with the B.C. Summer Games in 1983; the B.C. Games for the Physically Disabled in 1992; the B.C. Summer Games in 1998; the B.C. Disability Games in 2009; the Christmas parade, the Mountain Festival, First Night, Pitt Meadows Day and Rivers Day, the Family Education Centre River Run, the Arts Centre Theatre, the United Way, the Ridge Meadows Hospital Foundation, and the Ridge Meadows Hospital Foundation, and was a cub scout leader and basketball coach.

Each year the winner receives \$5,000.00 to donate to their favourite charity. There was a humorous moment during the presentation of the prize. Anticipating a single winner the organisers had prepared one large oversized \$5,000.00 cheque. Paul Peterson of Westminster Savings, one of the sponsors, was handed a pair of scissors to cut the cheque in half. Both Ineke and Mike received \$2,500.00 for their favourite charity.

There were other Rotarian winners as well. Past District Governor Dick Drew won a diamond pendant necklace, the major grand prize that had been raffled off. He reported that his wife, Aline, “willingly acquired it “.

Note of appreciation to those who have contributed to this article: Courtesy of the *Meadow Ridge News*, Michael Hall (editor), Phil Melnychuk (writer), and James MacLennan (photographer); Meadowridge President Marco and PDG Dick Drew.

The editor of the Peace Arch Journal visited the **Meadowridge Rotary Club** on May 18, 2010, as part of a tour of clubs (see reports on page 8). They are meeting at the same place, but it is now Don Cherry’s Sports Club. The room is upstairs and has a pub like feeling to it. AG Carol Tichelman did a presentation on The Rotary Foundation.

Report on the 2010 Rotary International Council on Legislation

By Past District Governor (1999-2000) Dave Robinson

It was my pleasure to again represent the Rotarians of D5050 at Rotary's Council on Legislation held in Chicago, Illinois, from April 25 to 30, 2010. I had also attended the 2007 Council.

The Council meets every three years to vote on proposed changes to the Rules and By-Laws of Rotary that have been submitted by Rotary Clubs worldwide as well as the Rotary Board of Directors. Each Rotary District (531 in all) is entitled to be represented by a voting delegate, usually a Past District Governor. This year, 366 submissions were received and after some

were rejected by the Rules Committee as being defective and others of the same or a similar nature combined, we were left to debate 216 proposed changes, as compared to 318 in 2007.

To begin with, there are two types of proposals, Enactments and Resolutions:

- Enactments if approved (in some cases requiring a 2/3 majority) actually change the rules or By-laws of Rotary with the changes becoming effective July 1st, 2010.
- Resolutions on the other hand are simply recommendations to the Board of Directors to consider if they so choose. The Board attends the Council but members like Past Presidents of RI, cannot vote. However, listening to the debate can assist them in making a decision if a Resolution appears on the Board's agenda at some future date.

If you wish to see a complete list of the proposed changes and the voting outcome, this information can be accessed on the R.I Website. I'll limit my discussion to items that I feel are of the most interest to Rotarians in D5050. Also, I will not recite the full text of the change.

Dave's report will be continued in the July, 2010, edition of the *Peace Arch Journal*
