## Message from the District Governor

### Rotary Networking Plus Kick-Off

Well, I've been talking about our Networking Plus program for a year and a half and we are finally on the road!

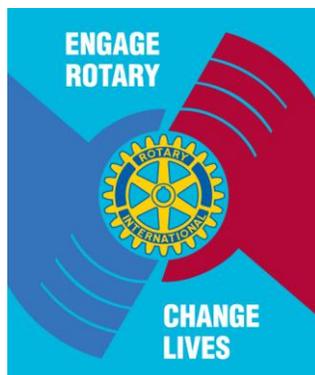

What is Networking Plus you say? Let me remind you of the plan. We are going to create an online directory of Rotarians' businesses so that members of our clubs can more easily do business with each other throughout the district.

The website is up and active and all Rotarians and Rotaractors are welcome to go online to [www.rotarynetworkingplus.com](http://www.rotarynetworkingplus.com) to register. Once a registrant is confirmed as a Rotarian or Rotaractor, the business/profession page will be published on the site.

We are hoping to get as many district Rotarians on the site as possible over the next few months. Once there is a good selection we will consider adding "Friends of Rotary" businesses. These folks are the people who help us out with donations to our fundraisers and in other ways. There may be a charge for these listings with part of the money staying with the club that registers the "Friend."

## The Peace Arch Journal

The monthly newsletter for Rotary District 5050

### Denis Boyd Governor

This monthly publication is a service to district club officers and members. It is intended as a source of news and opinion from throughout the district.

The mission of the *Peace Arch Journal* is to promote communication, understanding, fellowship and fun beyond club meetings, in a manner complementary to shared efforts at placing *Service Above Self*.

Please send news, articles and photographs to: [editor.paj@gmail.com](mailto:editor.paj@gmail.com) by the 25<sup>th</sup> day of the month for possible inclusion in the next issue.

Long articles may be truncated and all articles submitted may be edited before publication. Not all articles and photos submitted will be published.

### *District Governor's Message, continued from page 1.....*

There is no cost at this time for listing your business. After the system has been operating successfully for a period of time, we will offer a bonus listing in which, for an annual fee, additional information and photos can be added to the webpage with the option to update more regularly.

Eventually, the Networking Plus site will be used to help attract prospective Rotarians who are interested in networking and more. There will be suggested protocols for this step including a "Rotary Secret Shopper" to help determine business and professional people who operate as Rotarians and may be interested in coming for breakfast, lunch or dinner to one of our clubs.

Rotarians follow the Four Way test in "all they think say or do" and therefore make themselves trustworthy business choices for consumer Rotarians. We can strengthen our club fellowship by doing more to honor our various vocations and what better way to affirm this than to do business together.

So, make your way to [www.networkingplus.com](http://www.networkingplus.com) right now and sign up!!

*Denis Boyd*
