Vol. 28      Issue 2      August 2014

## Message from ..... District Governor Lyle Ryan

July was a fantastic month for P.J. and me! We had the opportunity to attend many club installations and events and got to meet many more of our Rotary sisters and brothers. We do start our official club visits in the month of August with our first one on the 12<sup>th</sup> at Bellingham Bay.

This month I thought that I would remind you all that each calendar month in our Rotary year holds a special theme and focus for us as Rotarians. As just a reminder here they are:

Turning to the month of August you can see that “MEMBERSHIP” is our focus and if I had my way it would be the focus for all of the months of the Rotary year!

August	Membership & Extension
September	Youth Service
October	Vocational Service
November	The Rotary Foundation
December	Family of Rotary
January	Rotary Awareness
February	World Understanding
March	Literacy
April	Rotary Magazine
May	International Convention
June	Rotary Fellowship

When most individuals speak of “membership” most of us immediately go to the category of “new membership development”. **I want us all to change the way we think!**

What we need to consider first prior to cultivating new

Rotarians is taking care of the ones already in the fold. You hear the word “retention” thrown around a bit. To me that is a reactive word. As PDG Denis has shared with us on numerous occasions a better more active term is “engagement”. Once we have our membership engaged in Rotary the retention aspect takes care of itself!

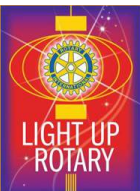

**DG LYLE SAYS**  
**RECRUIT**  
NEW MEMBERS  
**ENGAGE**  
ALL MEMBERS  
**RETAIN**  
EXISTING MEMBERS

We all know that membership is all of our responsibility – not just the membership committee. It is all our duty to make sure that Rotarians are valued and engaged within our clubs. In my own personal case I know for a fact that I would not be a Rotarian today if one of my club members had not reached out and involved me!

**Take the time get to know your Rotarian sisters and brothers – especially new members and get them involved in the work of ROTARY!**

## Rotary's Donor Advised Fund

Like Having Your Own Foundation, Only Better

**R**otary's Donor Advised Fund allows an individual or Rotary-affiliated group to create a special account that is earmarked for charitable giving. You make U.S. tax-deductible contributions\* to the account, advise how you want the funds invested and then recommend grants from the account to your favorite charities at your convenience.

### Enjoy convenience and flexibility

Manage your charitable giving and charitable receipts through a single account. You decide when and how to recommend grants.

No minimum balance is required and there is no limit on the number of grants.

### Maximize tax benefits

Make contributions when the tax deductions will benefit you most. You may be able to limit capital gains or income tax with gifts of stock, mutual funds and retirement plan assets.

### Allow funds to grow, tax-free

Advise how you want the account funds invested in any combination of four professionally managed portfolios. The investment strategy can change in response to market conditions or changes in your charitable giving plans.

### Enhance Rotary's image

Each grant bears the Donor Advised Fund account name you select and the name of The Rotary Foundation. Show your support for Rotary and remind others of the many ways Rotarians and The Rotary Foundation are working to make a better world.

Financial & Hands-on Service

Harv & Jan Jubie (*Right*) and Larry & Linda Jubie (*above*) have been recognized as Arch C. Klumph Society members.

On page one (*above*) of edition #35 of The Rotary Foundation's *Visions* is a testimony of one couple's belief in the DAF.

On page two is a story of the two PDG's outreach through hands-on service which began 15 years ago when they took a trip to a remote mountain Mayan community of Santa Cruz Barillas. They go back each year with other District 5050 Rotarians in support of Hands for Peacemaking Foundation (HFPF), created by the late Dr. Leon Aller, Snohomish club president.

## THE DISTRICT AND BEYOND

### DISTRICT 5050 ROTARY FRIENDSHIP EXCHANGE TO DISTRICT 9930 (NEW ZEALAND) 2014

*Submitted by Danielle Mullen, District 5050 Rotary Friendship Exchange Chair (See picture of Danielle on the far right)*

Fun, fellowship, sightseeing, fun, Rotary meetings, fun, potlucks and “guess who’s coming to dinner” events, fun, driving on the “wrong” side of road, and FUN, all this and more is yours when you participate in a Rotary Friendship Exchange.

From May 15-May 30 2014 our group of 6 had an incredible Rotary Friendship Exchange (RFE) with District 9930 on the north island of New Zealand prior to the RI Convention in Sydney. Team leader Danielle Mullen, PDG Sean and Carol Hogan, Terry Becker, Kendall Gentry and his aunt Wilma Amison, a non-Rotarian from Tennessee, along with our 12 passenger van, made this journey.

New Zealand is a lot like Northwest Washington and the Fraser Valley in BC – mountains, lakes, ocean, harbors, ferries, large cities and small towns with lots of green countryside. The people are warm and inviting and almost as fun loving a crazy as we are. We did presentations about District 5050 and ourselves at 5 clubs.

Some of the highlights of the trip included a tour of Hobbiton (pictures on left), a boat trip on Lake Taupo, a Tamaki Maori Village tour and dinner, a tour of a stud farm, outstanding wine tasting, and a tour to White Island (see below) which is an active volcano where you are given gas masks due to the irritating and acidic gasses (we really needed a beer after to clear our throats).

Home hosting is the best part of the experience. Your Rotarian hosts share their time and knowledge and ensure that you have the best possible time, see the most amazing things, and share great meals and “refreshments”. Sean, Terry and I are available and would love to provide your club with a program about our adventure and tell you more about Rotary Friendship Exchanges.

Danielle, Terry and Sean exchanged club banners at a Lake Taupo Rotary club.

As District 5050 RFE Chair, I am looking for suggestions for the next place for an Exchange.

Please submit your recommendations and reasons for same to me, Danielle Mullen, at [trave-lady2@comcast.net](mailto:trave-lady2@comcast.net).

Rotarians, friends of Eagle Wings, visiting friends and relatives gathered on a beautiful evening for fellowship and to raise money. Excellent entertainment was presented by the Moonlight Swing Orchestra and a 20-30s dance demonstration (the group at the far left). District Governor Lyle Ryan (upper Right with the Program) demonstrated the importance of bidding high ...

... as did auctioneer Tracy Olney.

There was a mid-auction dessert dash. Eagle Wings Executive Director Kinder Smoots (Marrysville Sunrise) thanked all for attending and shared her personal connection with the organization's mission.

*[Post-event Report]* Kinder commented that the evening concluded at 9:30 pm with a fabulous pyrotechnic light show: "We've never witnessed pyrotechnic lights flooding the back of planes in flight. It was quite breathtaking. We had 175 people attend and more than \$30,000 (net) was raised to benefit Eagle Wings, which serves adults with disAbilities throughout Snohomish Country. The Venue was generously donated by Dr. Lee Harman and would not have been possible without his generosity and standard of excellence.

### Club Public Relations Example:

### Thanks to the Rotary Club of North Delta

*The report is based on information provided by CP/PDG Sean Hogan. Many of the pictures were posted on his Facebook page.*

The North Delta Rotary Club was invited to participate in a Community Day by a local mall and used the opportunity as a "Random Act of Kindness," putting Service Above Self into action while promoting Rotary.

**Gurtej Cheema (President of our Interact Club at Seaquam Secondary School) along with Val & Peter McCaskill (spouse and Rotarian).**

The initial supply of 120 hot dogs was gone within the first hour; club members made several runs to local stores to purchase more hot dogs, buns and water. With the temperature around 30 degrees Celsius (86F), the water was probably more popular than the hot dogs. They gave away free hot dogs and water to over 350 people.

Passers-by were surprised to be told that everything was free, courtesy of North Delta Rotary. A donation box was available for those who wanted to give. At the end of the 4 hours, over \$200 in donations had been collected, and many, many smiles were seen on the faces of Rotarians and shoppers in the mall.

### District Governor Lyle Ryan's Visit to the Proud Community of Hope, B.C.

**ROTARIANS GET THINGS DONE!**

Saturday, 12 July, 2014, Rotarians turned up at the Riverview warehouse to load a container off with 433 pieces of medical equipment, materials and supplies bound for the Philippines.

Despite the fact that it was a little warm, both inside and outside of the container, Rotarians got it done!

### Rotary District 5050 Networking Plus

**"Recognizing the worthiness of all useful occupations."**

**Networking Plus** is an attempt to validate vocational service as a valuable part of Rotary membership.

The first step in this regard is the creation of an on-line directory which will allow District 5050

Rotarians to list their businesses. Each club member who wishes to do so can go to the link on the district site and enter their data at no charge. After confirmation of the Rotarian's membership, the listing will be posted for all to see.

After the initial launch for Rotarians, Friends of Rotary will also be invited by Rotarians to list their businesses. Friends of Rotary are those businesses who have been generous in their support of our

Rotary fundraisers and are worthy of our patronage.

**If you are a Rotarian and wish to list your business, register at <http://rotarynetworkingplus.com>**
