Every North Delta Grade 3 Student Receives a Dictionary

North Delta Rotary Club members delivered 700 dictionaries to Grade 3 students at 15 North Delta elementary schools

Doing Good: Rotary Donations

**North Delta
Rotary**

**Over \$68,000
in donations in one year:
Doing Good
locally and internationally**

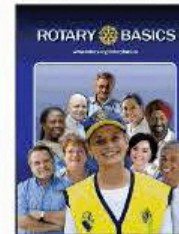

With matching grants, our donations were further increased to over \$96,000 to help those in need during this past year. Thank you to our Rotary members and to our community supporters and partners! [Click for more details!](#)

Christmas Hamper Delivery

***Every December, North Delta Rotarians
join other community groups
in delivering food hampers to families in Delta***

Getting Started

Custom Pages / Site Pages

This section allows you to create additional pages for your website.

A **Custom Page** is a standalone, single page that can be linked to from the menu or any Links Widget. The content and layout of custom pages are designed just like your home page, using the Page Designer.

A **Site Page** is a convenient way to create multiple pages in a section of your website. Use this to create a subsite, with its own side navigation which includes links, files, subpages and related (nested) site pages.

Both Custom Pages and Site Pages have a standard widget which lists selected pages and can be included on the home page.

To add, edit, or delete pages currently appearing on the home page, click on the sections below:

Rotary is a global network of 1.2 million business and professional leaders from over 200 countries and places, all volunteering their time and talents to serve their communities and the world.

North Delta Rotary

was formed in 1981 and has been an active partner in our local community - building playgrounds, purchasing vans, bikes and other equipment for the Delta Community Police, providing bursaries and scholarships in the five senior high schools in Delta and at Kwantlen Polytechnic University, supporting hundreds of community groups and individuals in North Delta and much, much more.

We also work internationally - building libraries, computer labs and medical facilities in Kenya, delivering eye care to Mexico, shipping containers of goods to the Philippines and helping in many other countries around the world.

Reasons why you should join

Rotary is a community of friends who are committed to creating positive change in the world.

You will make valuable connections with community
