

BRINGING CLEAN WATER TO THE COUNTRY OF HAITI

The District Haiti HANWASH committee has been busy giving presentations to many clubs about the HANWASH project our district will support for the area of Ferrier in Haiti. To date we have at least 8 clubs on board as supporters, with many more interested. If your club has not yet had a presentation scheduled, please contact the committee!

We are very excited to say we have over \$22,000 in pledges which we hope to have deposited in the Wenatchee Rotary account by the end

of this month, to be ready to pay for the initial engineering study. Additional funds will be used for the actual project funding.

We would still like many more clubs to sign on as supporters, which will make our global grant applications even stronger! Our plan is to apply for multiple global grants as the project unfolds in stages.

A report in December will detail photos and travel information from Sherry's visit to Haiti Nov 9-17.

Contacts in Canada: PDG Sherry Chamberlain sherry@adobie.com or Carol Eamer Davidf73@telus.net, or in WA USA: Carin Smith carin@smithvet.com to schedule a presentation for your club!

THANK YOU! PARTICIPATING CLUBS and INDIVIDUALS for HAITI HANWASH:
