RYLA and Alcohol

The RYLA Team does not allow the consumption of alcohol in any part of the program. Attendees, presenters and mentors shall respect this prohibition or will be asked to leave. The City of Penticton though does have many licensed establishments that sell alcohol.

In British Columbia, the legal drinking age is 19 years old. At this age people are considered adults and therefore acquire adult responsibilities and freedoms. The District 5060 RYLA committee supports this approach by leaving the decision for attendees to consume alcohol outside the program hours as they see fit.

The adult decision to consume alcohol offsite comes with the adult responsibilities to not overindulge or become a public nuisance. The RYLA Committee neither supports nor denies the attendance of RYLA participants at any licensed establishment outside the program hours. Indeed, the decision to attend and control one's activities in a licensed establishment is a very adult activity.

Over the past years that people can remember, no participant has brought the RYLA name into disrepute for having attended a licensed establishment and the Committee wishes to maintain this record. RYLA attendees are expected to show up on time and ready to fully engage in the training program which precludes overindulgence.

The RYLA Committee accepts that some Rotary Clubs do not agree with this view as the legal drinking age in their jurisdiction is 21 years old. In those cases, it is suggested that those Clubs only send participants who are 21 years of age as the Committee cannot legally (or practically) prevent attendees from attending the licensed establishments in the off-hours.
