2018 Project Proposal Application

Please note: this survey is operated through US-based Survey Monkey. Data collected will be stored in the United States and therefore will not be subject to the protections of Freedom of Information and Protection of Privacy in British Columbia. Any information collected on this survey will be treated as strictly confidential, including contact information.

* 1. Project Title or Purpose:

* 2. Project Contact:

Name

Organization (if applicable)

Address

City/Town

Email Address (if available)

Phone Number

* 3. Brief project description:

* 4. Which <u>Rotary International</u> causes are addressed by the proposed project?

Promote peace

Fight disease

Provide clean water, sanitation, and
hygiene

Save mothers and children

Support education

Grow local economies

* 5. Describe how the proposed project will address one or more of the categories below.

Social Programming: One-time start-up or restart costs for programming designed to enhance or strengthen the social fabric of a community

Capital: The replacement or restoration of uninsured buildings, equipment or facilities that are key to community.

Cultural: The replacement or restoration of existing historic sites and cultural displays or facilities. Can also include one-time start-up or restart costs for cultural programming.

Other: We recognize that needs will change throughout wildfire cycles.

* 6. PROJECT TASK GROUP
Identify at least two other community members who will support the proposed project throughout the entire project life-cycle,
including: application, initiation, implementation, and reporting.
Include full name, phone number, community and email address (if applicable)

7. Has the Project Task Group done any of the following? Please describe why or why not and note the outcome:

Consulted with local community representatives (name/title)?

Approached any other agencies/organizations for financial support?

Approached a local Rotary Club member to join the Project Task Group?

Approached a local Rotary Club for financial or other types of support?

Considered the possible negative impacts of the proposed project?

Drafted a budget for the proposed project?

Drafted a timeline for the proposed project?

8. Proposed Timeline

Project start date:

Mid-project date for report to Funding Council:

Project completion date:

* 9. Project Budget Summary

Total project budget amount

Amount already collected/committed

Amount requested from Rotary Clubs of Kamloops and Area Wildfire Recovery Fund

10. Project Budget Details (items and estimated costs)

PROJECT CONTACT COMMITMENT**:**

By submitting this application, I (Project Contact named above) certify the following:

- **I have read and understood the Rotary Clubs of Kamloops and Area Wildfire Recovery Fund Terms of Reference I have consulted with my fellow community members regarding this proposed project**
- **I have formed a Project Task Group of at least two other members of my community**

Should this funding proposal be successful, I (Project Contact named above) promise to:

- **Faithfully pursue this project to its successful conclusion**
- **Report to the Funding Council midway and at project conclusion**
- **Maintain clear and accurate records of funds received and spent, including original receipts**
- **Immediately contact any member of the Funding Committee or my local Rotary Club if I have questions or concerns about my ability to lead this project to a successful conclusion**
- **Return any portion of unused funds to the Funding Committee immediately upon project conclusion.**
