“My life has been so greatly enriched, both personally and professionally.”

“RYLA taught me that anything you set your mind to, you can achieve it, no matter what anybody thinks.”

“I learned about the practicalities of leadership; the day-in day-out details and responsibilities that need attending to, and how a team of leaders working together can overcome all sorts of obstacles.”

“The experience overall, and the things I learned combined to make the experience one of the best weeks of my life.”

“I learned that a true leader teaches others and is a role model for them, while encouraging and mentoring them so they can become great leaders themselves.”
