

District Governor Frank's Weekly Letter for Club Presidents - December 2, 2012

District Governor Visits

Scottie and I started our week of visits on Wednesday Nov 28th with the RC of Shafter (**Clark Goehring**). We quickly realized that this club, like several in our District, are central to activities in their community. They make things happen. Lots of 'public image' sightings in Shafter! They are especially involved in the school system by supporting various projects and activities. I was impressed with how they recognized a need to support the school band, and met their goal to support uniforms for them. On Thursday we found ourselves with the RC of Carpinteria (**Andy Bailard**). My goodness, what an active group. While this club is involved with all avenues of service, I was especially impressed with their Brown Bag for Seniors Program and their effort to place American flags throughout their community for key holidays.

Thank you for another great week of Rotary!

Also This Past Week

On Tuesday, we were hosted with an evening social at the home of Clark and Nancy Goehring and the RC of Shafter. Thanks to all for a special evening at a beautiful home! On Thursday evening, it was an evening social with the RC of Carpinteria and the renowned 'Brewery Boys' at the home of John and Vera Welty. Another special evening and lasting memory. On Saturday, I attended the 2013-14 District Staff Meeting under the leadership of DGE Jack McClenahan. A great year is just around the corner! Saturday evening was the Santa Maria Christmas Parade of Lights hosted by the Group 12 Rotary Clubs. Over 100 Rotarians and Interact students make this televised event of 105 lighted floats another great success!

This Coming Week of December 2, 2012

DG visits will find Scottie and I with the RC of eClub One World (Dick Strayer)
