

District Governor Frank's Weekly Letter for Club Presidents - December 9, 2012

District Governor Visits

Scottie and I were honored to be able to meet and address the Rotary eClub of One World (**Dick Strayer**); first on Saturday morning with a conference meeting with the Club Board, then later in the afternoon at the home of Donna Prenta in Simi Valley. This club is on the go! They have over 40 members; and are committed to making the things they do have meaning. I am impressed with how their members align themselves with a 'buddy' club so they can continue with local community service. It was also good seeing 2002-2003 PDG Marc Vertin, who now resides in Indiana. Marc serves as the Club TRF Chair. They have members in 11 countries and 7 of their Board members reside outside of California. Check out their website at: <http://www.oneworldrotary.org/> You may want to consider helping them with developing programs. As I told their club; they have great opportunities mixed in with just a few challenges. Good luck eClub!

Thank you for another great week of Rotary!

Also This Past Week

On Saturday night, Scottie and I had another opportunity to visit the Goleta Noon Club as we helped them to celebrate their 25th Club Anniversary! PDG Wade Nomura also joined us as we honored their outstanding group of Rotarians. Thanks President Hans Dahlin and Helena for the invite.

District Grants 2012-2013

If you are one of the 29 Clubs that received a **District Simplified Grant**; and you are not going to use it; PLEASE contact Dan Giordano so we can get the funds to other clubs!

There are still plenty of **Matching Grant** funds available for you to match up to \$6,000 for a global matching grant. We do not want these grants to go unused. Please contact Grants Chair Dan Giordano if you have any questions at: dgiordano@bak.rr.com.
