

District Governor Frank's Weekly Letter for Club Presidents - November 18, 2012

District Governor Visits

Scottie and I started this week of visits on Tuesday with the RC of Oxnard (**John Kearney**). This club makes an extra effort to recognize educators in various ways. They also recognize Parent Teacher Associations. They are known for their support of the annual youth basketball tournaments in their community. Wednesday found us with the RC of Carpinteria Morning (**Rick Joy**). This is another special club that balances their activities among the 5 avenues of service. I especially liked their work with the Tomol Play Area at the park. Hope we can make their Casino Night this year! That afternoon we visited the famous 'Harry's Restaurant' to meet with the RC of Santa Barbara North (**Joe Gagnon**). This club supports youth in a big way, and I am especially impressed with their continued support of Adams Elementary School. Sell those Poinsetta's!

Thank you for another great week of Rotary!

This Coming Week of November 18, 2012

Scottie and I wish you a joyous and peaceful Thanksgiving celebration.
