

District Governor Frank's Weekly Letter for Club Presidents - October 7, 2012

District Governor Visits

We started this past week of visits on Wednesday morning with RC of Santa Barbara Sunrise (**David Velarde**). The upcoming Fiddler's festival is a big event for their Club and Community. This club does an outstanding job in supporting youth, seniors, family, and humanity! At noon, we found ourselves with the RC of Santa Ynez Valley (**Tammy Westwood**). They are a community oriented club and are in the middle of many events in the SY Valley, including the 4th of July festival! Their work in the Phillipines and India are very noteworthy. The RC of Cayucos-Seaside (**Emily Campbell**) was our Thursday morning destination. This club has a lot of energy. I like how they engage in their community and work with other service clubs to meet their goals. As has been, this was truly another great week of Rotary fellowship.

Also This Past Week

Scottie and I joined the Rotary Club of Paso Robles (Dennis Cassidy) for a fun lunch meeting honoring the Paso Robles Pioneers with an 'Old Timers' lunch attended by several hundred area families. This is one of those events that the community looks forward to, and the Paso Robles club has been hosting this event for many years!

This Coming Week of Sept 7 2012

DG visits will find Scottie and I with the RC's of Goleta (Paul Clayton), and Oxnard Sunrise (Mary Lingua).

PRLS

I had the opportunity to drop in on Master PRLS training this past Saturday. A great team of instructors and a dedicated group of Rotarians equates to well-trained future leaders! Sign up at www.prls.org.

Send me your Event Announcement!

I will be happy to announce your event in this newsletter. Send me date, time, location, contact.

GRANT QUALIFICATION training requires (2 members from each club)

First Session is this Saturday in Bakersfield! Sign up today. Your club will not be able to write a grant for the 2013-14 year unless you have 2 persons from your club participate. Choose one session 10/13, 10/27, 11/3. Check the District website NOW!
