Rotary is the perfect vehicle for making a positive impact toward world peace. There are few other non-religious groups the size of Rotary that are so globally united in their actions and interests. The Rotarian Action Group for Peace provides an official entity that empowers and supports Rotarians by offering structure, guidance and resources to further our collective peace efforts.

The impact that Rotary's global network can have on peace will be tremendous.

- We are working together to bring about peaceful societal systems to replace the machinery of war, aggression and coercion.
- We voluntarily choose to interact peacefully, learn more about the science of peace and create service projects that truly deepen our communities' commitment to a more prosperous, healthy, fair and tolerant society.
- We have collectively come to the conclusion that peace is best for all, and its time has come.
- We share a belief that there is a worldwide, societal shift towards peace.

YES is a joint project of the all Simi Valley Rotary clubs: The Rotary Clubs of Simi Valley, Simi Sunrise, and Simi Sunset.

## **Our Mission is Clear**

To facilitate communication, awareness and empathy among our youth in order to better understand the human connection with hope to create a more peaceful world.

YES! (Youth Empowerment Summit) was created in 2013 with the collaboration of the three Rotary Clubs in Simi Valley. It has since been adopted by the Rotary Clubs of Kern county in 2018 and is quickly gaining district wide attention.

YES! is dedicated to empowering young people to become life-changers by gaining a greater understanding of both personal and global issues, developing effective communication, decision making skills and a greater understanding of the human connection.

Students spend the day in sessions sharing ideas and experiences. The importance of communication and listening is emphasized to lead us toward the goal of greater self-awareness, understanding, courage and self-confidence. Throughout the day, four inspirational speakers share their stories which touch the hearts of each student in a multitude of ways.
