

“For Whom the Bell Tolls”

for the month of March 2015

...dedicated to the hard-working President-Elects

“THE TRAIN IS STILL MOVIN’ DOWN THE TRACKS – ON ITS WAY TO DISTRICT ASSEMBLIES!”

DISTRICT ASSEMBLY is coming to Bakersfield and Oxnard! A great time to mingle with like-minded Rotarians from other clubs! Registration begins this week - watch for the email.

Dates are:

- Bakersfield 3/21 8am to 12 noon @ Bakersfield College
- Oxnard 3/28 8am to 12 noon @ Pacifica High School

Who should attend?

You, your incoming board members, and other interested Rotarians. They all will receive M.I.T. - motivation, information, and training! It's up to you, President-Elect, to get them there! Invite them.

The cost?

No payment required. It's included in your club dues.

Why attend?

Because the better trained your members are, the easier it is on you, President-Elect!

“INTRODUCTION TO ROTARY” CLASS

- Following each assembly this month
- Includes lunch and 3- hour class
- Led by the world-famous P.R.L.S. Staff
- Use as orientation for new club members and board members
- Only \$30. (many clubs pay for this)

“Full speed ahead for a great Presidential year!!”

*We're sitting down.
Donna is not that tall. :)*

Be a gift to the world

DISTRICT GOVERNOR VISITATION FORM

COO, **David Saint-Amand** & Calendar Mavin, **Bud Biery** need to hear from you.

A form was passed out at PETS that needs to be filled-out this week and emailed back to David and Bud.

We want to finalize the DG calendar for the assemblies this month and need this info from you to do so.

Make it a top priority - If you don't, I will plan to give a “boring speech” when I visit your club! 😊

PETS IS OVER!

All-you-all (that's plural) did great! We had 69 presidents in attendance! Three are signed up for “far out, uhhh, I mean, far west PETS in San Hose”) with another going to “Show Me” PETS in Jefferson City, Missouri! The commitment and dedication to becoming the best president you can be is very evident. You and your club will benefit. By the way, little known statistics: in the 3 days at PETS, we used 1103 room nights at the Marriott; 655 people were registered; and we served 2,958 meals! (That's 6 Districts together)

Editor – Neil Walker (Rotary Club of Bakersfield Breakfast)
