MEET YOUR MEMBERS

Meet One on One to Learn about them, their backgrounds, interests, skills, passions – ask you may be surprised what assets are available

Talk to them about your possible plans and interests.

The most important person in you club – is the member

INCREASE YOUR KNOWLEDGE

What's working in your club and what's not working?

What areas do you need to improve upon as a leader?

Attend seminars, Master PRLS, Frequently Visit RI and District Websites, Magazines,

Visit other clubs – they may have answers to your issues

Be part of your Club's District Award committee (and other committees)

Start Files, store and organize them so that you will have them at the ready when needed

COMMUNICATE

With your Presidents 2015-2016 and 2018-2019

Develop your “brain trust” – advisors for honest feedback and help when you need it

Develop your organizational chart (every member should have a purpose)

Try to have a mix of seasoned and new members

Set regular meetings AND Face to Face meetings

Use your communication from members to establish your goals

COMMUNICATE

Create you Calendar

Inform and Coordinate with Nick's Calendar (inform Mark Furia) Official Governors Visit, special events for the Governor to attend at your club

Check District Calendar – training, PRLS, events

The Calendar will keep you thinking and avoid conflicts
