Kern YES!

Feb 22, 2020

Our blindness - Rotarians refuse to see differences. We reach across religion, politics, race, anything that divides, to join hands in service to all of humanity.

When we pledged to eradicate polio we did not chose a specific country, we did not choose a specific child. It is for every child in every country.

Our purpose - Rotary gives us our higher purpose and moves us beyond ourselves as we focus on helping others.

This nurtures our souls and keeps us alive.

The day we die is not when take our last breath but when we stop being useful to the world.

Let us stay alive
