

INFORMATION AND RULES FOR SPONSORING ROTARY CLUBS

Contest Date: Saturday, April 15, 2023, at 1:00 PM

Deadline for clubs to submit the Club entries is March 31, 2023 at midnight.

Any high-school age student qualifies as a contestant, whether enrolled in a public school, or private, or home schooled, or in a vocational school, so the number of potential candidates is large.

NOW is a good time to recruit, as the semester is in full swing, and the service clubs have elected their officers.

Be aware of the deadlines. Your club may schedule a preliminary contest, usually in January or February, to choose a contestant. If you do not have enough candidates, you may simply sponsor someone. If you choose this route, please have the student perform for your club so you know that they have the skills qualify.

Entries must be submitted to the Rotary District 5280 by March 31, and Club fees paid.

There are 5 Contest (5 Arts): Art (2d or 3d); Music/Instrumental; Music/Vocal; Dance, and Speech (on "Doing Good in the World")

Clubs may choose to participate in some contests and not others,

Your club may have ONE entry per contest (5 total). An entry may be a small ensemble.

Club fees: (per contest)

Large Clubs (50 or more members) -- \$200

Medium Clubs (20-49 members) -- \$150

Small Clubs (fewer than 20 members) -- \$90

The Rotarian Contact for your club (your club contest Chair) must enter all contestant information at the online registration link:
