

# CAMP PENDLETON

## Warrior Warehouse

Our next drive to support over 70,000 marines and 10,000 children under the age of 5 is scheduled for April 2022. The date and drop off locations will be announced at a later date.

Our District collects new and gently used baby, child, and household items for these young families who have little of what they need for newborns & children.

Items in greatest need are diapers, baby and young children's clothing, toys, books, bathtubs, strollers, cribs, dishes, cookware, kitchen items. We also collect Target and Walmart gift cards.

Share your photos on our Facebook page:
