

# face shields

## FREE TO YOUR ROTARY CLUB'S PARTNER ORGANIZATIONS IN THE MEDICAL FIELD

With many thanks to PDG Shab ElAwar of Rotary District 5330 and the generosity of unnamed donors, we can obtain face shields for healthcare workers such as doctors, nurses, dentists, paramedics, emergency medical technicians), healthcare or laboratory personnel collecting or handling specimens; and healthcare delivery and support staff (hospital staff who must enter patients' rooms) and medical transport workers (ambulance vehicle operators).

All Rotary District 5280 Clubs (including Rotaract, Interact, & Youthact) wanting to avail of this wonderful opportunity to help our partner organizations, **please email** **D5280communityserviceSAG@gmail.com** no later than **February 15, 2022** with:

- your name, Rotary Club, and contact information;
- partner organization(s); and
- number of face shields.

Arrangements will be made to transport the face shields from San Bernardino and will be available at a Los Angeles location for clubs to pick up from February 26 to March 6, 2022.
