

## **DO YOU LIKE TO LEARN ABOUT OTHER CULTURES? DO YOU LIKE TO TRAVEL?**

...then The Rotary Inter-Country Committee USA/Italy is just for you.

### **What is Rotary Inter-Country Committee?**

Rotary Inter-country Committees (ICCs) promote relationships between two or more international districts or countries to increase the fellowship and intercultural understanding among the people of the various nations; foster stronger ties between the members, clubs, and districts from different countries; and establish networks across borders, continents, and oceans.

Today, more than 600 ICC sections from all over the world provide significant support to all programs of Rotary and its Foundation. They help increase the effectiveness of the international service in our seven areas of focus.

Rotary Districts 5240, 5280, 5340 in California, Rotary District 5890 in Texas, Rotary District 7620 in Maryland and Washington DC and District 7430 in Pennsylvania are partnering together with Districts in Italy. This is our first ICC exchange.
