

DONATION FORM

The Donation Form is for Live Auction and Opportunity Drawing Items. The goal is for each Rotary Club to provide a Live Auction and/or Opportunity Drawing item/basket (please **no perishable** items – if that is your intended donation, please give a pledge form only and then bring it the week of the event to District Office) to the Governor during his visit to the club. Live Auction donors receive one half the foundation credits (make sure their information is on this form, not just club info) and the buyer receives the other half of the foundation credits from the selling price. Thank you for your generous support of The Rotary Foundation.

INSTRUCTIONS

- Complete the form. Be as detailed as possible.
- Email the completed form to kellyrotary5280@gmail.com. Attach photos if needed.
- Present the club’s item/s to the Governor at the Governor’s visit. If a trip or significant gift certificate (not a basket), please create a stand-alone flyer for presentation at the event. And attach a copy of this form!
- If not presented at the visit, or your visit is after the deadline, please mail or deliver items to the District Office no later than **October 5**.
- Suggested value of the opportunity drawing item to be at least \$300 and live auction item at least \$1000.
