

MAP ENHANCEMENTS

As part of Rotary's on-going efforts to simplify and improve business operations for Rotary clubs, district governors, club presidents, and club secretaries can now view, print, and pay their semi-annual dues invoice on-line using Rotary's Member Access Portal (MAP). These officers can also get the club's previous day Club Balance report which shows a detailed listing of all of the open items on a club's account. Here are the details regarding these new MAP enhancements:

Access to the semi-annual dues invoice (SAR) and the previous day Club balance report are accessed by logging into MAP using the following link:

The new additions in MAP are the ability to access the previous day Club Balance Report and view and/or print the semiannual report (SAR) invoice. If the link “Daily Club Balance Report” is chosen, the screen is shown below:

Club officers will be able to view this information only for their specific clubs. District Governors will be able to view this information for all clubs in their district.

If the link “Pay Semiannual Dues or Print Semiannual Report (SAR)” is chosen, there are two options. Following is an example of the SAR invoice reprint:
