

Unite

PARTICIPATE IN
SIX GLOBAL GRANT
PROJECTS

Global Grant projects include water and sewage sanitation programs, children's education programs outside the major cities, pediatric wheelchair and hospital equipment.

Explore

EXPLORE THE MAYAN
RUINS OF TIKAL

On your time off explore the 22 churches and numerous buildings in Antigua built by the Spanish in the 1500's and are still standing. A 3 hour tour of the city is included in the package.

POINTS OF INTEREST: IXIMCHE MAYAN RUINS, CHOCOLATE FACTORY, JADE MUSEUM, AND OPEN AIR MARKETS FOR SHOPPING.

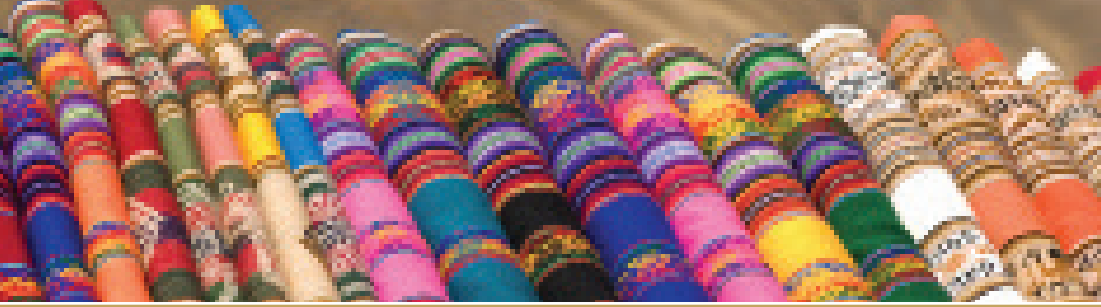

2015 GUATEMALA
Humanitarian Trip

United in Service
DISTRICTS 5280 & 4250

District Humanitarian Trip
ANTIGUA GUATEMALA
FEBRUARY 5-9, 2015

ISLA DE ROATAN SIDE TRIP
FEBRUARY 9-13, 2015

WHY GUATEMALA?

The indigenous people living outside Guatemala's major cities are the most wonderful people you can meet but also the poorest in our hemisphere. The population is expanding faster than the general services they require for education, health and general infrastructure, such as clean water.

The Rotary clubs of District 5280, along with the Rotary clubs of Guatemala have collaborated on 8 Global Grant projects to help the Guatemalans living in the countryside. The Humanitarian Trip attendees will experience first-hand the wonderful achievements from our generous donations.

TRIP OVERVIEW

Basic tour: estimated \$1,600/ person with airfare. Isla de Roatan side trip: \$800/person. Double occupancy.

Email: rhamca@msn.com

Applications: www.rotary5280.org

Trip headquarters will be in the former colonial capital of Central America, Antigua. Antigua is protected as a UNESCO city heritage site.

Accommodations are at the Hotel Casa Santo Domingo, ranked by travel magazines as one of the top 100 hotels in the world and tops in Central America. This five star hotel has walls dating back hundreds of years, but fully restored while preserving its archeological significance.

Day bus trips will be provided to visit the Rotary projects our district and Guatemala Rotary are sponsoring. The projects are mostly outside Antigua traveling into the lush countryside, known as the "land of eternal spring and for its indigenous culture.

Engage

GUATEMALA LITERACY PROJECT

Visit schools in the countryside that Rotary has provided textbooks, computers, and supplies for the children. Participate in the celebration that the schools provide that truly shows their gratitude. A TRUE ROTARY MOMENT.

Discover

VISIT THE LAKE ATITLAN WATER PURIFICATION PROJECT SHOWN IN THE DISTANCE

Spend one day on a boat on Lake Atitlan visiting water sanitation programs sponsored by Rotary. Stop by a village on the lake to buy local Indian artwork.
